Macquarie Share Trading Terms and Conditions

Macquarie Equities Limited

Introduction

There are risks associated with investing in any asset class and we recommend that you discuss these with a financial adviser before you make any investments.

Australian listed securities, in common with all the other asset classes (e.g. real property and government bonds), can decline in value as well as increase. The measure of this change in value is often referred to as volatility. That is, the more the value varies over time, the more volatile the asset and the more risk involved in investing in it. On the other hand, generally the less volatile an asset is, the less likelihood there is of any significant capital gain or loss from investing in that asset.

Australian listed securities are generally more volatile than some other asset classes. However, the markets for other asset classes are not as efficient or transparent as the sharemarket. So, while the sharemarket can be volatile, the significant amount of information available to investors, and the process of continuously determining and making public the real market value of securities, may reduce the impact of this volatility.

What are the risks?

The following is a general guide to the types of risks you may be exposed to.

Overall market risks

The risk of loss from general movements in the sharemarket can be caused by any number of factors including political, economic, taxation or legislative. Specific examples are changes in interest rates, changes in superannuation laws, international crises or natural disasters.

Domestic versus international factors

A company may be vulnerable to international events or market factors. Such factors may include movements in exchange rates, changes in trade or tariff policies and changes in other stock or bond markets.

Sector-specific factors

These may include demand for the product of that sector, commodity prices, the economic cycle of industry, changes in consumer demands, lifestyle changes and changes in technology.

Company-specific factors

These may include the strength of the company's management, profit history, tangible asset base, debt level and fixed cost structure, litigation, profits or losses on particular contracts, competition from within the sector, and whether it is exploring for recoverable resources or is developing a new product.

Limitations of research

The research used by financial advisers is basically the opinion of specialist analysts. It can never be guaranteed, is only valid for a limited time and is often subject to market movements. The suitability of a research recommendation can also vary depending on your investment timeframe. For example, what may be a 'sell' recommendation for a short-term investor may be a 'hold' or 'buy' for a long-term investor.

The mere fact that a security is recommended by an analyst as a 'buy' does not necessarily mean that the security is a suitable investment for you. You should consult your financial adviser before acting on any research report.

Basic investment strategies - what are the alternatives?

The type of security you invest in may differ depending on your investment goals. A financial adviser can provide you with personal advice that takes into account your objectives, financial situation and needs prior to investing in Australian listed securities.

Income

You require a secure income stream, perhaps to meet your living expenses, you may wish to concentrate on securities with a strong dividend history and high franking level.

Macquarie Share Trading Terms and Conditions

Macquarie Equities Limited

Growth

You do not require a secure income stream as your income needs are met via other sources. However, you wish to achieve capital growth to provide a hedge against inflation, to accumulate wealth and/or to defer taxation.

You should remember that the securities with the greatest potential for growth may also have the greatest potential for loss in value.

Mix of growth and income

Your needs may include both a secure income stream and some measure of capital growth.

Short-term trading

You wish to trade in shares with a view to profiting from short-term price movements in the stock market.

Mixture of all

Some securities will be acquired for each of the above purposes.

CHES

What is CHES

Clearing House Electronic Subregister System (CHES) is the computer system operated by ASX Settlement Pty Ltd (ASX Settlement) to record share holdings and manage the settlement of security transactions.

ASX Settlement participants in CHES, are bound by the ASX Settlement Rules. Securities can be either broker or issuer sponsored. By executing a sponsorship agreement, the broker sponsors your holding(s) of securities in CHES. Your holdings are identified by a unique Holder Identification Number (HIN).

Under CHES, if you buy securities through Macquarie Equities Limited (ABN 41 002 574 923, AFSL 237504) (Macquarie Equities), the securities will automatically be registered in your name in an electronic subregister sponsored by Third Party Platform Pty Ltd (ABN 74 121 227 905, AFSL 314341) (TPP). In addition, TPP will be able to transfer those securities out of your name at settlement without the need for any further action on your part. CHES also gives you the ability to amend your registration address for all your holdings at the same time.

Is the CHES subregister secure?

The CHES subregister and the actions of your CHES sponsor are regulated by the Corporations Act and the ASX Settlement Rules. The ASX regulates all CHES sponsors to ensure they comply with the Rules and other legislation. CHES uses several forms of electronic security to minimise the risk of unauthorised access.

What are some of the benefits of being CHES sponsored?

By electing to be CHES sponsored, you receive the following:

- upon receipt of a written confirmation of a change to your registered address signed by all account holders, TPP will notify CHES and the registries of your current holdings, saving you the need to contact each registry separately
- you receive regular holding statements directly from CHES and a new statement is issued to you whenever there is any change to your CHES sponsored securities
- your Tax File Number (TFN), if quoted, will be forwarded to each registry for your current holdings to prevent you paying unnecessary withholding tax, and avoid having to supply your TFN to each registry individually.

Explanation of the effect of TPP's CHES Sponsorship Agreement

The CHES Sponsorship Agreement (CHES Agreement) is set out in full in Part C of the Macquarie Share Trading Terms and Conditions. It is important that you read the CHES Agreement and understand the following explanation before electing to be CHES sponsored by TPP.

Appointment of TPP as your Sponsor

By entering into the CHES Agreement with TPP, you appoint TPP to act as your 'Sponsor' or 'Controlling Participant' in respect of all securities registered in your name and all securities transacted on your behalf.

TPP will not facilitate the settlement of AQUA Products. Where a request is received to transfer AQUA Product CHES Holdings from another broker to TPP, the holdings will be converted to Issuer Sponsored Holdings.

Within CHES, all your holdings will be identified by your HIN. TPP is not obliged to transfer your securities to your HIN until payment for them has been received. If payment is not made, Macquarie Equities or TPP has the right to sell the securities at your risk and expense.

You can provide TPP with instructions to withdraw your securities from your HIN and provided you have met all your obligations, your instructions will be complied with. If you have not paid Macquarie Equities or TPP an amount lawfully owed by you, Macquarie Equities or TPP can refuse to comply with your Withdrawal Instructions, but only to the extent that we retain securities to a maximum value of 120 per cent of the amount owing.

The CHES Agreement sets out what happens to your CHES Holdings in the event of the death or bankruptcy of the Holder, or one of the Holders if the account is in joint names.

Macquarie Share Trading Terms and Conditions

Macquarie Equities Limited

The CHESS Agreement also outlines the terms upon which the agreement can be varied and terminated, the regulatory regime and authority that applies to TPP, and how you can lodge a complaint or claim for compensation.

For further information about the effect of the CHESS Agreement, or if you would like to receive a copy of the CHESS Agreement after you enter it, you can contact your financial adviser or call TPP on 1300 786 199 (within Australia) or +61 3 8663 2700 (international).

Share registry notification service

Where your sponsor is TPP, you are eligible for the share registry notification service. Macquarie will arrange for your Linked Settlement Account details to be provided to participating share registries so that dividends, distributions, interest and income will be directly credited to your Linked Settlement Account.

Part C: CHESS Sponsorship Agreement

This Part C will apply if you appoint TPP (the Clearing and Settlement Participant) to sponsor you on CHESS.

Background

The Clearing House Electronic Subregister System (“**CHESS**”) is the computer system used by the ASX to facilitate clearing and settlement of trades in shares, and to electronically register the title (ownership) of shares on the CHESS subregister. Holding your shares on the CHESS subregister is efficient and convenient.

To register your shares on the CHESS subregister, you arrange with an authorised participant to sponsor you on CHESS and sign a sponsorship agreement. You are then allocated with a unique holder identification number (HIN) which identifies you as the holder of shares on the CHESS subregister.

Under this Part C (CHESS Sponsorship Agreement), you are appointing TPP to sponsor you on CHESS on the terms and conditions set out below.

1. Interpretation

- 1.1 Any term used in this Part C (CHESS Sponsorship Agreement) which is defined in the ASX Settlement Rules has the meaning given in those Rules. If you require a copy of these definitions please contact your financial adviser.
- 1.2 In this Part C (CHESS Sponsorship Agreement), TPP is referred to as the “Sponsoring Participant” and you are referred to as the “**Participant Sponsored Holder**”. These terms are defined in the ASX Settlement Rules.

2. Sponsoring Participant rights

- 2.1 Where the Participant Sponsored Holder authorises the Sponsoring Participant to buy Financial Products, the Participant Sponsored Holder will pay for those Financial Products by 10:00am on the second Business Day after the date of purchase or such other date as the ASX Settlement Rules may prescribe for settlement (“**Settlement Date**”).
- 2.2 Subject to clause 2.3, the Sponsoring Participant is not obliged to transfer Financial Products into the Participant Sponsored Holding, where payment for those Financial Products has not been received, until payment is received.
- 2.3 Where a contract for the purchase of Financial Products remains unpaid, after the Sponsoring Participant has made a demand of the Participant Sponsored Holder to pay for the Financial Products, the Sponsoring Participant may sell those Financial Products that are the subject of that contract at the Participant Sponsored Holder’s risk and expense and that expense shall include brokerage, stamp duty and GST where applicable. The Client shall be liable for any resultant loss.
- 2.4 The Sponsoring Participant has the right to refuse to comply with the Participant Sponsored Holder’s Withdrawal Instructions, but only to the extent necessary to retain Financial Products of the minimum value held in a Participant Sponsored Holding (where the minimum value is equal to 120% of the current market value of the amount claimed).
- 2.5 If the Participant Sponsored Holder fails to make payment or deliver any shareholder information or documents to the Sponsoring Participant by the Settlement Date (or fails to meet its margin obligations in respect of a short sale) (“**fails to settle**”), whether under this Sponsorship Agreement or any other agreement between those parties, the Participant Sponsored Holder authorises the Sponsoring Participant and each of its directors, officers and managers as the Participant Sponsored Holder’s attorney to give any instructions on the Participant Sponsored Holder’s behalf which the Sponsoring Participant or any such attorney deems fit in their absolute discretion in respect of any of the Participant Sponsored Holder’s Financial Products that are broker sponsored by the Sponsoring Participant in CHESS to enable the Sponsoring Participant to charge and/or nominee those Financial Products or sell those Financial Products and generally to place the Sponsoring Participant in a position to apply the aforesaid Financial Products and the proceeds from the sale in reduction of the Participant Sponsored Holder’s liability to the Sponsoring Participant and to recover the Sponsoring Participant’s costs in so acting.

- (b) In execution of its power to deal with the collateral, the Sponsoring Participant is entitled to request the Participant Sponsored Holder to execute a Deed of Charge in favour of the Sponsoring Participant charging by way of security those collateral Financial Products owned by the Participant Sponsored Holder to secure all amounts owing to or to become owing to the Sponsoring Participant in relation to the Transaction to which the collateral relates on such terms as the Sponsoring Participant stipulates. The Participant Sponsored Holder must execute such Deed of Charge within forty-eight hours of the request to do so, failing which the Participant Sponsored Holder appoints each director of the Sponsoring Participant severally as its duly appointed attorney to execute on behalf of the Participant Sponsored Holder such Deed of Charge, and to sign all further documents and do all things to cause it to be registered at ASIC.

5. Exchange Traded Options, pledging and sub-positions

- 5.1 (a) Where the Participant Sponsored Holder arranges with ASX Clear to lodge Financial Products in a Participant Sponsored Holding as cover for written positions in the Australian Options Market, and informs the Sponsoring Participant of the arrangement, the Participant Sponsored Holder authorises the Sponsoring Participant to take whatever action is reasonably required by ASX Clear in accordance with its Rules to give effect to that arrangement.
- (b) The Participant Sponsored Holder acknowledges the right of the Sponsoring Participant to deal in any Financial Products over which the Sponsoring Participant has been authorised to take a charge or interest should events necessitate the liquidation of Holdings in order to extinguish any liabilities relating to business conducted by the Participant Sponsored Holder in Exchange Traded Options.
- 5.2 Where the Participant Sponsored Holder arranges with any person to give a charge or any other interest in Financial Products in a Participant Sponsored Holding, the Participant Sponsored Holder authorises the Sponsoring Participant to take whatever action is reasonably required by the person in accordance with the ASX Settlement Rules to give effect to that arrangement.

- 7.2 The Participant Sponsored Holder acknowledges that if a Transfer is taken to be effected by the Sponsoring Participant under Section 9 of the ASX Settlement Rules and the Source Holding for the Transfer is a Participant Sponsored Holding under the Sponsorship Agreement, then:
 - (a) the Participant Sponsored Holder may not assert or claim against ASX Settlement or the relevant Issuer that the Transfer was not effected by the Sponsoring Participant or that the Sponsoring Participant was not authorised by the Participant Sponsored Holder to effect the Transfer; and
 - (b) unless the Transfer is also taken to have been effected by a Market Participant of ASX, Cboe or a Clearing Participant of ASX Clear, the Participant Sponsored Holder has no claim arising out of the Transfer against the National Guarantee Fund under Part 7.5, Division 4 of the Corporations Regulations.
- 7.3 In the event that the Sponsoring Participant breaches any of the provisions of this Sponsorship Agreement, the Participant Sponsored Holder may refer that breach to any Regulator, including ASX Settlement.

In this instance, the existing Controlling Participant must convert the AQUA Product Holdings to Holdings on the Issuer Sponsored Subregister. If the existing Controlling Participant fails to convert the AQUA Product Holdings to Holdings on the Issuer Sponsored Subregister, ASX Settlement may convert the AQUA Product Holdings to Holdings on the Issuer Sponsored Subregister.
- 7.7 Subject to clause 7.6, the Sponsoring Participant will not initiate any Transfer or Conversion into or out of the Participant Sponsored Holding without the express authority of the Participant Sponsored Holder.
- 7.8 The Participant Sponsored Holder acknowledges that, in the event of the death or bankruptcy of the Participant Sponsored Holder, a Holder Record Lock will be applied to all Participant Sponsored Holdings in accordance with ASX Settlement Rules, unless the Participant Sponsored Holder's legally appointed representative or trustee elects to remove the Participant Sponsored Holdings from the CHESSE Subregister.
- 7.9 The Participant Sponsored Holder acknowledges that, in the event of the death of the Participant Sponsored Holder, this Sponsorship Agreement is deemed to remain in operation, in respect of the legally appointed representative authorised to administer the Participant Sponsored Holder's estate, subject to the consent of the legally appointed representative for a period of up to three calendar months after the removal of a Holder Record Lock applied pursuant to clause 7.

The Effective Date may as a result be later than the date set out in the Participant Change Notice.
- 8.5 The Participant Sponsored Holder will be taken to have consented to the events referred to in clause 8.4 by the doing of any act which is consistent with the novation of the Sponsorship Agreement to the New Sponsoring Participant (for example by giving an instruction to the New Sponsoring Participant), on or after the Effective Date, and such consent will be taken to be given as of the Effective Date.
- 8.6 The Sponsorship Agreement continues for the benefit of the Existing Sponsoring Participant in respect of any rights and obligations accruing before the Effective Date and, to the extent that any law or provision of any agreement makes the novation in clause 8.3 not binding or effective on the Effective Date, then the Sponsorship Agreement will continue for the benefit of the Existing Sponsoring Participant until such time as the novation is effective, and the Existing Sponsoring Participant will hold the benefit of the Sponsorship Agreement on trust for the New Sponsoring Participant.
- 8.7 Nothing in this clause 8 will prevent the completion of CHES transactions by the Existing Sponsoring Participant where the obligation to complete those Transactions arises before the Effective Date and the Sponsorship Agreement will continue to apply to the completion of those Transactions, notwithstanding the novation of the Sponsorship Agreement to the New Sponsoring Participant under this clause 8.

9. Claims for compensation

- 9.1 If the Participant breaches a provision of this Sponsorship Agreement and the Participant Sponsored Holder makes a claim for compensation pursuant to that breach, the ability of the Participant to satisfy that claim will depend on the financial circumstances of the Participant.
- 9.2 If a breach by the Sponsoring Participant of a provision of this Sponsorship Agreement falls within the circumstances specified in the compensation arrangements applicable to the Approved Market Operator or the Clearing Participant of ASX Clear under the Corporations Act and Corporations Regulations, a Participant Sponsored Holder may make a claim under the relevant compensation arrangements.

10. Application

This Sponsorship Agreement shall relate to the CHES Holdings of the Participant Sponsored Holder identified by the HIN obtained by the Sponsoring Participant from CHES on behalf of the Participant Sponsored Holder as a result of the execution of this Sponsorship Agreement.

11. Termination

- 11.1 Subject to the ASX Settlement Rules, this Sponsorship Agreement will be terminated upon the occurrence of any of the following events:
- (a) by notice in writing from either the Participant Sponsored Holder or the Sponsoring Participant to the other party to the Sponsorship Agreement;
 - (b) upon the Sponsoring Participant becoming insolvent; or

- 11.2 Termination under clause 11.1(a) will be effective upon receipt of Notice by the other party to the Sponsorship Agreement.

12. Variation

Should any of the provisions in this Sponsorship Agreement be inconsistent with the provisions in the ASX Settlement Rules, the Sponsoring Participant will, by giving the Participant Sponsored Holder not less than seven (7) Business Days written Notice, vary the Sponsorship Agreement to the extent to which in the Sponsoring Participant's reasonable opinion it is necessary to remove any inconsistency.

13. Copy Executed Sponsorship Agreement

- 13.1 The Participant Sponsored Holder, by signing the application form and electing in that application to be CHESSE Sponsored by TPP, agrees to and is bound by this CHESSE Sponsorship Agreement, and further expressly instructs the Sponsoring Participant not to provide the Participant Sponsored Holder with a hard copy of the application form signed by the Sponsoring Participant within three (3) Business Days of such execution.
- 13.2 The Sponsoring Participant agrees to provide to the Participant Sponsored Holder a hard copy of such documentation signed by the Sponsoring Participant if so requested by the Participant Sponsored Holder.
- 13.3 Notwithstanding clause 13.1, the Participant Sponsored Holder who is and continues to be, or becomes CHESSE sponsored by TPP, whether before or after these CHESSE Sponsorship Terms and Conditions become effective is bound by these CHESSE Sponsorship Terms and Conditions, regardless of whether or not the Participant Sponsored Holder signs the application form of which these Terms and Conditions form part.

5. If you have provided us with your TFN, its use and disclosure is strictly regulated by tax laws and the Privacy Act. You do not have to provide us with your TFN and declining to do so is not an offence. If you do provide us with your TFN, we are required, and you authorise us, to disclose your TFN to any investment body where you invest in their Securities through us and any associated registry of the Securities that you hold. We are required to do this until you revoke your quotation of your TFN. However, if you do not provide us with your TFN (or claim a valid exemption), tax may be withheld by the investment bodies from income due to you at the highest marginal rate (plus Medicare levy) before it is paid to you. For more information about the use of TFNs, please contact the Australian Taxation Office.
6. If you have previously provided your TFN to Macquarie Equities, you agree that the Clearing and Settlement Participant can handle (collect, use and disclose) your TFN including for the purposes of providing it to any investment body (and any associated registry) in which you invest through Macquarie Equities until you revoke your quotation of your TFN. 4. You are aware that in certain circumstances you may be liable to make a further payment on a Partly Paid Security despite the fact that you may have disposed of a Partly Paid Security prior to the date that a further payment falls due.

Cboe Compensation Arrangement Disclosure

5. There are two different compensation arrangements that may provide protection for retail investors trading on Cboe (formerly known as Chi-X): NGF Arrangements or Division 3 Arrangements. This is because on 26 October 2020, Cboe became a member of the SEGC, which operates the National Guarantee Fund (NGF).
 - (a) When do the NGF Arrangements apply?

From 26 October 2020, the National Guarantee Fund (NGF) may apply in the circumstances set out in Division 4 of Part 7.5 of the Corporations Act and Corporations Regulations. Transitional arrangements apply and these are set out on the SEGC's website at www.segc.com.au. For further information on the National Guarantee Fund and what it covers, please contact SEGC, see the SEGC website and refer to Division 4 of Part 7.5 of the Corporations Regulations.
 - (b) When do the Division 3 Compensation Arrangements apply?

Where a retail investor suffers a loss in respect of conduct, a transaction or insolvency that occurred before 26 October 2020, that loss may be covered by the Division 3 compensation arrangements. Section 11 of the Cboe Operating Rules outlines the Division 3 compensation arrangements, including the cessation of the arrangements on 25 October 2027 and the requirement, while the arrangements are in place, to make a claim no later than six months after becoming aware of the loss to which the claim relates. Section 11 also outlines that the losses covered by Division 3 are those resulting from defalcation or fraudulent misuse of your money, property or authority by a Cboe participant.

Financial Services Guide

Macquarie Equities Limited

AFS Licence no: 237504

Date: 20 March 2023

About this document

This Financial Services Guide (FSG) is an important document in which we (Macquarie Equities Limited - referred to throughout this FSG as 'MEL', 'we' or 'us') outline:

- who we are and how we can be contacted
- what financial services and types of financial products we are authorised to provide to you
- how we (and any other relevant parties) are remunerated
- details of any potential conflicts of interest
- any relationships or associations we may have with product issuers
- details of our internal and external dispute resolution procedures and how you can access them.

This FSG should assist you in deciding whether to use any of our financial products or financial services. If you choose to use any of our financial products and financial services, you may also receive other documents about those products or services, which you should read carefully.

The fees, charges and remuneration information in this FSG relate to our dealings with you as a retail client. Different arrangements may apply for wholesale clients.

Not Independent

Personal advice provided by MEL is not independent, impartial or unbiased:

- We may receive monetary benefits paid by product issuers and other third parties when you acquire a product based on our advice, as summarised on page 3 of this FSG;
- We or our representatives may advise you in relation to a financial product offered by MEL or another company in the Macquarie Group, as summarised on page 4 of this FSG; and
- Our representatives are required to adhere to an approved investment and product menu when recommending products to clients, which will include products offered by MEL and its related entities.

Other documents you may receive

Statement of Advice (SoA)

If you are a retail client and we give you advice that takes into account your circumstances and goals, you should usually receive a SoA outlining:

- the advice
- the basis on which it is given
- information about fees and associations related to the provision of the advice.

Record of Advice (RoA)

In some cases it's not practical to provide a SoA (e.g. where we provide you with additional advice as a retail client to supplement an existing SoA and neither our advice nor your circumstances have materially changed). In these cases, where you are a retail client, we will keep a record of the advice we have given you, which we will keep for seven years after we give you the advice. You can request a copy of the RoA for up to seven years after the advice has been given by contacting us.

Product Disclosure Statement (PDS)

A PDS is a document (or group of documents) that describes a financial product. A PDS (or other offer document) contains important information to assist you to make a decision about the product it describes.

You should receive and review the PDS (or other offer document) provided by us before you make an investment decision about our products, or a product we recommend.
