This document is the Investor Directed Portfolio Service (IDPS) Guide for Macquarie Investment Consolidator II (Investment Consolidator II), an IDPS operated by Macquarie Investment Management Limited ABN 66 002 867 003 Australian Financial Services Licence 237492 (MIML/we/us/our/the Operator).

MIML has appointed Bond Street Custodians Limited ABN 57 008 607 065 AFSL 237489 (BSCL) to hold your assets in custody. BSCL also liaises with the product issuers of the managed investments that appear on the Investment Menu. BSCL and MIML are both Macquarie Group entities. Macquarie Group means Macquarie Group Limited and its related bodies corporate (as defined in the *Corporations Act 2001* (Cth) (Corporations Act)).

In deciding whether to acquire or continue to hold an investment, you should consider this Guide. Applications can only be made on the application form contained in the current IDPS Guide or online application. We may change any of the terms and conditions in this Guide, including current fees and charges. In making changes, we will always act reasonably and will give you notice as required by law. Information that is not materially adverse is subject to change from time to time and may be updated through the website macquarie.com.au/investing/macquarie-wrap. If you are unable to access the online information, your adviser or MIML can provide a copy free of charge.

MIML is not an authorised deposit-taking institution for the purposes of the *Banking Act 1959* (Cth) and MIML's obligations do not represent deposits or other liabilities of Macquarie Bank Limited ABN 46 008 583 542 (MBL). Any investments are subject to investment risk including possible delays in repayment and loss of income and principal invested. MBL does not guarantee or otherwise provide assurance in respect of the obligations of MIML.

Investments made through Investment Consolidator II, other than any holdings in term deposits with MBL and the Macquarie Wrap Cash Account (Wrap Cash Account), are not deposits with or other liabilities of MBL or of any Macquarie Group company, and are subject to investment risk, including possible delays in repayment and loss of income or principal invested. Neither MBL, MIML nor any other member company of the Macquarie Group guarantees the performance, the repayment of capital or any particular rate of return of the investments purchased through Investment Consolidator II.

This offer is only available to people receiving this Guide (electronically or otherwise) within Australia.

Smart administration solutions made simple

What is a Wrap service?

A Wrap service draws all of your investments together around a central cash flow account. This enables easy administration of your account, as all buying, selling, reporting and maintenance of investments held in your account occurs in one place. Macquarie Wrap Solutions ABN 66 002 867 003 (Macquarie Wrap) offers Wrap services via a range of Wrap products designed for investors who are looking for:

- access to a broad range of investment options
- consolidated reporting, and
- someone else to manage the paperwork related to their account.

You also benefit from online access to your account details and tax-efficient features, all supported by Macquarie Wrap's leading-edge technology and deep technical know-how.

Investment Consolidator II

Investment Consolidator II is one of the Wrap products offered through Macquarie Wrap.

Investment Consolidator II is operated by MIML. The Board of MIML is comprised solely of independent directors.

Important information

This document (Guide) is an IDPS guide and aims to provide you with the information necessary to open and operate your account once it is opened, as well as general information on the investment service.

The Investment Menu contains information about the Eligible Investments. It is available online at **macquarie.com.au/investmenu**.

This Guide should be read in conjunction with the Investment Menu and relevant Product Disclosure Statements (PDS) and other disclosure documents or statements of the Eligible Investments that you invest in. PDSs and other disclosure documents and statements of the Eligible Investments are referred to collectively as 'disclosure documents' throughout this Guide. These documents are available from your adviser or us free of charge.

This Guide, together with the Financial Services Guide for MIML, is available at **macquarie.com.au/investing/macquarie-wrap**.

If you are unable to access the online information, your adviser or MIML can provide a copy free of charge.

Companies named in this document have given and have not withdrawn their consent to statements by them, or statements based on statements by them, in the form and context in which they appear.

The information contained in this Guide is general information only. We have not taken into account your objectives, financial situation or needs. You should consider the appropriateness of the information in this Guide, taking into account your objectives, financial situation and needs, before acting on any information in this Guide. You should obtain the relevant disclosure documents for the underlying investments that you may invest in before making any decision about whether to acquire that investment through Investment Consolidator II.

MIML is a member of the Financial Services Council (FSC). FSC member companies must comply with standards set by the association, which are primarily designed to inform investors.

How does Investment Consolidator II work?

You and your adviser

Where you have an adviser linked to your account, they should be your primary point of contact and any queries about your account should be directed to them. When you open your account and nominate an adviser to be linked to your account, you authorise your adviser and their Associates to give us instructions on your behalf as set out throughout this Guide and you authorise us and our agents to rely on and act on those instructions.

Your adviser can advise you on an investment strategy which suits your risk profile and needs, and provide you with information about the underlying investments (managed investments including Separately Managed Accounts (SMAs), Australian and international listed securities, domestic fixed income securities and term deposits) that may be available through your account.

With your authority, your adviser can instruct us to buy and sell investments within your account. Prior to investing, your adviser should provide you with the relevant disclosure documents for these investments or they are available from us on request. You should carefully consider these disclosure documents before investing.

Your adviser is not authorised to withdraw money from your account other than to transfer money to an account nominated or as otherwise authorised by you. Your adviser's ability to initiate and authorise withdrawals is set out further in the Wrap Cash Account offer document.

Investment Consolidator II assists you and your adviser by minimising the administration involved in managing your investments.

We do not provide you with advice which takes into account your particular financial situation, needs or objectives.

If your adviser ceases to be licensed either temporarily or permanently, we will remove the adviser from your account as soon as practicable and cease to pay fees to the adviser.

© Registered to BPAY Pty Ltd ABN 69 079 137 518.

1 The Macquarie Wrap Cash Account (Wrap Cash Account) is a deposit account provided by Macquarie Bank Limited ABN 46 008 583 542 AFSL 237502. Please refer to the Wrap Cash Account offer document for further details about the Wrap Cash Account available at macquarie.com.au/investing/macquarie-wrap.

2 If you are opening a self-managed superannuation fund (SMSF) account.

3 Available for a sub-set of Eligible Investments only.

4 No capital gains tax assuming no change in beneficial ownership.

How does Investment Consolidator II work?

Your adviser's responsibilities

Where you have an adviser linked to your account, your adviser may be responsible for, depending on the service agreement you have with them, the following:

- advising you on which investment strategy and Investment Menu option suits your risk profile and needs
- ensuring that you have all of the necessary information and documentation to make informed investment decisions
- informing you of the potential risks involved with investment decisions
- monitoring and giving you advice on your account
- establishing and maintaining your account online
- ensuring that you authorise all transactions
- acting on your instructions to us
- advising you if the balance in your Wrap Cash Account falls below the minimum requirement
- providing you with reports on your account in addition to our reporting, and
- providing you with disclosure documents for managed investments (including SMAs), listed securities and term deposits offered, prior to placing your investment instructions.

Changing advisers

In applying for and holding this product, we prefer you to have an appropriately licensed adviser who is registered with us to assist you with your account.

You must notify us if you change advisers or remove your adviser. Your adviser may also instruct us to remove them as the linked adviser on your account. You must also notify us, in writing, of any new fees payable to your new adviser.

If your adviser is not registered with us, we will seek to assist them in becoming registered.

Accounts with no adviser

Where you do not have an adviser linked to your account, you will need to operate your account by dealing directly with us.

If your adviser ceases to be licensed either temporarily or permanently, we will remove the adviser from your account as soon as practicable and cease to pay fees to the adviser.

Where this Guide contemplates something being done by an adviser, where the context permits, it should also be read as being done by you.

Important: The following changes will apply if you cease to have an adviser linked to your account:

- the number and type of investment choices may change and/or become more limited
- some investments (including those that you already hold) may be limited for purchase to investors who have an adviser or who have received personal advice and therefore may not be available for new or additional investments
- automated investment management tools described in the *Transacting* section of the IDPS Guide (including dollar cost averaging, automatic cash management and automatic rebalancing) may not be available to accounts without an adviser linked. Where these tools are active on your account and you no longer have an adviser, we may cease providing you with these services
- the ability to move between the Engage and Elevate Investment Menu options may be restricted
- you may not be able to elect to rollover a term deposit and/or your existing term deposit rollover instructions may be cancelled.

Important: where an account does not have an adviser linked, it is even more critical to ensure your mobile phone number and email address details remain up to date. This is because if you cease to have an adviser linked to your account and we do not have up to date details, we may not be able to contact you about important matters or it may take longer to receive information which may mean you do not have sufficient time to act on the important information about your account.

For further details about the impacts of not having an adviser after your account has been opened, please refer to macquarie.com.au/managing-your-wrap.

Your Wrap Cash Account

All cash transactions into or out of your account, including deposits, payments, fees, charges and taxes are processed through your Wrap Cash Account¹. You can also deposit directly into your Wrap Cash Account from different sources using a variety of methods such as BPAY and electronic funds transfer (EFT).

When opening your Investment Consolidator II account, we will generally open a new Wrap Cash Account to be the central cash flow account. If you have an existing Macquarie Cash Management Account (CMA)², you may elect to use this as the central cash flow account of your Investment Consolidator II account. This enables you to retain the same account number and operate on the account as you always have done. If you elect this option, your CMA will be converted to a Wrap Cash Account. If you do not have a CMA or do not elect to use your existing CMA as the central cash flow account for your Investment Consolidator II account, we will open a new Wrap Cash Account.

Please note: The interest rate of your Wrap Cash Account may be different to that of the prevailing CMA interest rate and is subject to change. You should consider any difference in interest rates prior to electing to convert your existing CMA.

If you close your account at a future date and wish to retain the Wrap Cash Account, you may elect to do so in your account closure instructions to us. The Wrap Cash Account will then be converted to a CMA (and the applicable CMA interest rate will apply from this time).

Current interest rates are available online at [macquarie.com.au/investing/macquarie-wrap](https://www.macquarie.com.au/investing/macquarie-wrap).

Your Wrap Cash Account will be used to:

- credit all cash investments and transfers
- buy investments
- receive income from investments
- receive proceeds from the sale of investments, and
- pay any fees, taxes and charges related to your account.

Taking the 'work' out of paperwork

We process all investment transactions and manage available corporate actions on your behalf. In most cases, this is done according to the instructions you provide to your adviser which are then communicated to us. This helps reduce the ongoing administrative work for your adviser.

Corporate actions

We process corporate actions for both Australian and international listed securities on your account according to your instructions (where applicable), including:

- initial public offerings (floats)³
- takeovers
- buy-backs
- share purchase plans
- rights (renounceable and non-renounceable), and
- share splits.

There may be circumstances where we may not process corporate actions. Refer to the *Transacting* section in this Guide for further details.

Transfer your existing investments into your account

You may transfer Australian and international listed securities or managed investments (excluding SMAs) available on the Investment Menu that you already own into your account without having to sell them. Generally, there will be no capital gains tax (CGT) liability as a consequence of the transfer.

Individual tax reporting

Your investment income and capital gains/losses are tracked for you in any given year, making it easier to provide the relevant details at tax time. You will not need to contact different financial institutions for the details of your income as a consolidated tax report for your account will be available online.

1. The Macquarie Wrap Cash Account (Wrap Cash Account) is a deposit account provided by Macquarie Bank Limited ABN 46 008 583 542 AFSL 237502. Please refer to the offer document available at [macquarie.com.au/investing/macquarie-wrap](https://www.macquarie.com.au/investing/macquarie-wrap) for further details about the Wrap Cash Account.
2. The Macquarie Cash Management Account (CMA) is a deposit account provided by Macquarie Bank Limited ABN 46 008 583 542 AFSL 237502. Please refer to the CMA offer document for further details about the CMA available at [macquarie.com.au/cma](https://www.macquarie.com.au/cma).
3. Only available for Australian listed securities.

How does Investment Consolidator II work?

Your investment instructions

Your account is held in your name and you make all the investment decisions. If there is a corporate action, such as a rights issue, we may contact your adviser with this information. Your adviser can pass on your instructions to us to action.

Please refer to the *About the service and custodian* section in this Guide for more information about the differences between investing directly and investing via Investment Consolidator II.

Online reporting

Both you and your adviser can go online at any time to view a consolidated picture of your portfolio.

Flexible menu options

Investment Consolidator II gives you the choice between two Investment Menu options:

Engage – a limited Investment Menu option featuring a number of SMA model portfolios as well a range of term deposits, all with a flat dollar monthly administration fee.

Elevate – a comprehensive Investment Menu option including managed investments, SMAs, Australian and international listed securities, domestic fixed income securities and term deposits from a range of providers.

You have the flexibility to move between the two Investment Menu options. If the Investment Menu option you are moving to offers the same underlying investments you currently hold, this can be done without selling any assets and realising any capital gains. See the *Transacting* section for more details.

Where you cease to have an adviser linked to your account, the ability to move between the Engage and Elevate Investment Menu options may be restricted. Investment choices may also be limited.

Features at a glance

Outlined below are the main features of Investment Consolidator II. Further details are available in this Guide.

Feature	Key information		
Reporting			
Online access	Through Macquarie Online you can access a range of account information and reporting including your portfolio valuation and transaction history.

* If you do not have a registered adviser linked to your account, the number and type of investment options available to you will be impacted. The availability of automated investment management tools may also be impacted if you do not have a registered adviser linked to your account. See *Available investments and Automated investment management tools* for further information.

Features at a glance

Feature	Key information
Automatic rebalancing	Rebalance the eligible managed investments within your account to ensure that your account stays in line with your investment strategy.
Investment/transaction minimums	
Initial investment and ongoing account balance	\$10,000
Wrap Cash Account balance	Engage Investment Menu option: \$500 Elevate Investment Menu option: \$1,000
Balance per term deposit	\$10,000
Balance per managed investment	\$250
Balance per SMA	The minimum balance for each SMA is at the discretion of the SMA provider. For more information regarding the minimum balance per SMA, please refer to the current SMA disclosure documents available from your adviser or from us.
Managed investment transactions	\$100
Australian listed securities	Balance and transactions are as required by the ASX, Cboe Australia or such other exchanges as are approved from time to time, subject to a minimum tradeable value of \$500.
International listed securities	As required by the relevant foreign exchange (generally minimum \$10,000).
Balance for domestic fixed income	As required by the issuer (generally \$500,000).
Other eligible assets	\$5,000 (unless otherwise stated).
Additional investments	
Direct credit or BPAY minimum	No minimum
Direct debit minimum	No minimum
In-specie transfers	Transfer your existing managed investments (excluding SMAs) or Australian and international listed securities (which are currently available on the Investment Menu) into your account.
Withdrawals	
Minimum withdrawal	No minimum
Fees and other costs (for more information, refer to the <i>Fees and other costs</i> section)	
Administration fees	The fee paid to us for the general administration of your account.
Advice fees	You can negotiate the amount of advice fees (if any) your adviser will receive.
Other fees and costs	Other fees and costs may apply to your account.
Fee aggregation	You can group up to eight Macquarie Wrap accounts of relevant family members. When grouped, tiered administration fees will be calculated on the total balance of Macquarie Consolidator II - Elevate accounts. Fee aggregation can also be applied to some advice fees.

Feature	Key information
Transacting on your account	
Trading by your adviser	With your authority, your adviser can buy and sell your investments (other than fixed income securities) online.
Corporate actions	If you hold listed securities, we generally allow you to participate in corporate actions such as share purchase plans. See the <i>Corporate Actions</i> section under <i>Transacting</i> for more information about corporate actions including when they may not be made available to you. Your adviser should lodge your instructions online on your behalf. Where you do not have an adviser, your corporate action election instructions can be provided to us directly.

Opening and adding to your account

Opening your account

To open your account, you must complete an application form, prepared by your adviser.

We require that you:

- have an adviser who is providing you with personal advice at the time of opening an account (unless you are an existing Macquarie Wrap Investment account holder, in which case this requirement may be waived),
- have online access, and
- nominate your current email address and mobile telephone number for the purposes of receiving notices and information about your account.

If you have an existing Macquarie CMA¹ in the same name as your proposed Investment Consolidator II account (and this account has not been linked previously to another Macquarie Wrap Investment account), you may elect to convert your CMA to a Wrap Cash Account² which will be your cash account for this service. This enables you to retain the same account number and operate on the account as you always have done.

Please note: The interest rate of the Wrap Cash Account may be different to that of the prevailing CMA interest rate. If you do not have a CMA or do not elect to use an existing CMA as the central cash flow account for your account, we will open a new Wrap Cash Account.

Before opening your account, please read the current Wrap Cash Account offer document available at macquarie.com.au/investing/macquarie-wrap. A separate application form for your Wrap Cash Account is not required as the Investment Consolidator II application form will open both your Investment Consolidator II account and your Wrap Cash Account.

When your account is opened, you will receive details regarding your:

- Investment Consolidator II account
- Wrap Cash Account, and
- online access.

Who can open an Investment Consolidator II account?

The following investors may be eligible to open an Investment Consolidator II account:

- sole traders
- individuals over 18 years old
- joint account holders
- companies
- incorporated bodies (e.g., strata bodies corporate, trade unions and some social or sporting associations)
- unincorporated bodies (e.g., registered charities)
- trustees, including trustees of self-managed superannuation funds (SMSFs), and
- deceased estates.

You must ensure your email and mobile phone number remain up to date. If any of your details change, including your personal details, you are able to update these by notifying us. You and/or your adviser can update some of your personal details online. As your mobile phone number is used for identification verification purposes, this cannot be updated online.

Your first investment

Your first investment, comprising either a single or several payments, must be at least \$10,000.

Upon opening your account, your investments, excluding those made by the transfer of existing assets, will be credited to your Wrap Cash Account. With your authority, your adviser should then purchase investments for you depending on the arrangement you have with them.

You can invest into Investment Consolidator II by:

1. BPAY
2. Direct debit
3. Direct credit, or
4. Transferring-in existing assets.

There must be sufficient cash available in your Wrap Cash Account to meet the minimum cash balance and fees, taxes and other costs as set out in this Guide.

1. The Macquarie Cash Management Account is a deposit account provided by Macquarie Bank Limited ABN 46 008 583 542 AFSL 237502.

2. The Macquarie Wrap Cash Account is a deposit account provided by Macquarie Bank Limited ABN 46 008 583 542 AFSL 237502. Please refer to the offer document available at macquarie.com.au/investing/macquarie-wrap for further details about the Wrap Cash Account.

1. Transfer funds to your account using BPAY

BPAY is one of the easiest ways to transfer funds into your account.

1. Access online

If you do not have online access, contact the financial institution holding the funds, which must be a BPAY payer, to sign up. Make sure the funds you wish to transfer are available on the day of the nominated transaction.

Please note: BPAY deposits take up to three Business Days to clear.

2. Enter your customer reference number

When prompted, enter your customer reference number (CRN) which is your Wrap Cash Account number.

3. Enter a biller code

Wrap Cash Account biller code: 667022

2. Direct debit

You can set up automatic regular deposits into your Wrap Cash Account from external accounts in the same name by completing the Direct debit request form available online or from your adviser. We will debit an amount specified by you from the financial institution nominated on the form at the chosen frequency.

The amount will be deducted on a day of your choice and credited to your Wrap Cash Account, generally on the second Business Day following the deduction. You have a choice of the following direct debit frequencies:

- once only at the time of the request
- weekly
- monthly
- quarterly
- half-yearly, or
- yearly.

To reduce or cancel your direct debit, you or your adviser can simply contact us. Please give us at least 14 days' notice and notify us before the 24th day of the month to make the cancellation of your direct debit effective in the following month. Your direct debit may automatically cease if:

- your Wrap Cash Account is closed
- you do not make at least one successful direct debit in every 12-month period, or
- three direct debits are rejected within a 12-month period.

We reserve the right to, acting reasonably, modify or cancel the direct debit at any time; for example, where you have had three or more dishonoured payments. Where your direct debit is modified or cancelled by us and your account is still open, we will first give you 14 days' notice.

3. Direct credit

You can transfer funds into your Wrap Cash Account from other financial institutions. This differs from direct debit because you are giving instructions to your other financial institution to credit funds from your external account, as opposed to providing us instructions to debit from your external account. Direct credits will generally be credited within two Business Days of the transfer.

4. Transferring-in existing assets (in-specie transfer)

You may transfer into your account Australian and international listed securities, domestic fixed income securities and managed investments (excluding SMAs) as listed on our Investment Menu that you already own.

Generally, the transfer will not result in a CGT event. This is referred to as an in-specie transfer and can assist you in consolidating your investments. We recommend that you seek professional tax advice that will consider your individual circumstances.

You are unable to transfer term deposits into your account.

Dishonoured investments

If a direct debit is dishonoured, you authorise us to:

- pass on to you any fees associated with the dishonour (these will be deducted from your Wrap Cash Account), and
- correct your account details to reflect the amount of the investment that was dishonoured.

Understanding your investments

By investing through Investment Consolidator II you have access to an extensive range of investments, including managed investments, SMAs, Australian and international listed securities, domestic fixed income securities and term deposits. Before investing, you should read any disclosure documents that are provided to you by your adviser or available from us.

A wide range of investment options

Not everyone's investment needs are the same. The range of Investment Menu options available to you will be determined by your selection of the Engage or Elevate Investment Menu option. A copy of the Investment Menu, which contains details on the managed investments, SMAs, term deposits and international listed securities, is available from your adviser or us free of charge on request or online at macquarie.com.au/investmenu.

Due to the number of Australian listed securities available to be traded and the frequency of updates, we do not include each individual Australian listed security on the Investment Menu.

The range of Eligible Investment options available will be determined by:

- your selection of the Engage or Elevate Investment Menu option,
- the adviser and/or adviser's licensee linked to your account,
- whether you have an adviser linked to your account, and
- whether you are a wholesale investor.

Please contact your adviser or us to confirm if a particular investment is available.

Engage Investment Menu option

The investments you can select via the Engage Investment Menu option are a subset of the total investment options available through Investment Consolidator II.

MIML may add or remove investments from the Engage Investment Menu option from time to time.

Eligible Investments

Managed investment schemes (managed investments)

Also referred to as managed funds, Investment Consolidator II offers access to managed investments offered by a variety of leading professional investment managers providing access to a broad range of asset classes. The managed investments available are generally wholesale funds, where the management fees may be cheaper than the retail fees you would pay if you invested in each managed investment directly.

SMAs

A type of managed investment scheme, SMAs offered through Investment Consolidator II allow you and your adviser to access model portfolios provided by a range of investment managers. SMAs provide the benefits of investing in traditional managed investments with full transparency and beneficial ownership of the underlying investments you are holding.

When you hold securities through SMAs, your tax position is your own, so all income, credits and realised gains flow directly to you without being affected by the actions of other investors. For more information on the tax consequences of SMAs, please refer to the disclosure documents of the relevant SMA.

Australian listed securities

A wide selection of eligible listed securities that can be transacted on the ASX, Cboe Australia or such other exchanges as are approved from time to time, including ordinary shares, property trusts, exchange traded funds and listed investment companies.

International listed securities

A wide selection of eligible international listed securities traded on approved exchanges.

Domestic fixed income securities

A range of domestic fixed income securities are available to be traded through an approved fixed income broker. Investors are required to comply with minimum holdings and trade requirements. Please contact your adviser or us if you require further information on eligible securities and any other trading rules or restrictions.

Term deposits

A range of issuers, terms and rates are available.

Other eligible assets

From time to time, we may approve other types of assets for inclusion on the Investment Menu that do not fall into the above categories.

Other personal assets

It may be possible to include in your portfolio reporting other assets which are not Eligible Investment options. Your adviser can provide us with details of these assets so that we can include them in some of the reports available to you.

Although these assets will be added to some of your reports, these investments will remain directly held by you and their ongoing management and administration will remain with you and your adviser.

Available investments

Eligible Investments (other than most ordinary shares and some other limited exempt products) are generally required to have a 'target market determination'. Broadly, these determinations describe the likely objectives, financial situation and needs of investors who are in the target market for the product.

Where a target market determination for an Eligible Investment specifies distribution conditions which limit the distribution of the product, we may restrict access to those products. Some investments available to you (including those that you already hold) may be limited for purchase to investors that have an adviser or who have received personal advice and therefore may not be available for new or additional investment. This is particularly the case for investors who cease to have an adviser linked to their account.

In addition, even where an adviser is linked and personal advice has been provided, availability may be limited depending on your adviser or adviser's licensee.

Eligible investment selection process

Before we add an investment to the Investment Menu, the investment is subject to a number of suitability criteria. The criteria and timing of the assessment varies across the different Eligible Investments. The full suite of Eligible Investments is referred to as the Investment Menu. The Investment Menu is updated regularly, generally on a monthly basis.

Conversely, where matters are brought to our attention that require an Eligible Investment on the Investment Menu to be reassessed, we may close an investment option to new investments where we deem this the most appropriate course of action. Where this occurs and you hold the investment, we will communicate this to you directly or via your adviser.

We do not take any responsibility for any movement in asset price or costs which may occur during the time it takes to complete our assessment (whether an initial assessment or a review) as to whether an investment can be added to, or continue to be made available on the Investment Menu. In making an investment available on the Investment Menu, we do not make any representations as to the suitability of the investment either generally or for your personal circumstances.

Managed investments, SMAs, domestic fixed income securities and term deposits

When adding or removing a managed investment, SMA, domestic fixed income security or term deposit option to or from the Investment Menu, the following criteria are considered.

1. **Operational fit:** this includes the availability of pricing and performance data, the tax treatment and the ability of the product issuer to integrate with our systems and whether the asset can be easily traded.
2. **Client demand:** to meet the changing needs of clients, the demand for investment products is assessed.

Other considerations may include any other factors that may result in the investment not being manageable through our existing processes.

Australian listed securities

Requests to add Australian listed securities are generally considered based on the following criteria:

1. **Operational fit:** this includes whether the asset can be easily traded, and the tax treatment, and
2. **Whether the security is classified as a 'fully paid ordinary' share:** where this is not the case, additional consideration may be required such as securities that are paid in instalments and securities that may be classified as a form of derivative.

International listed securities

Requests to add international listed securities to the Investment Menu are generally considered based on the following criteria.

1. **Approved exchange:** we interface with a number of international securities exchanges and details of these exchanges are available from the Investment Menu from your adviser or online.
2. **Fully paid ordinary or common stock:** these investments must be classified as 'fully paid' or common stock by the approved exchange.
3. **Market Capitalisation:** to be approved for purchases, the securities must have a minimum \$500,000,000 market capitalisation.

Selecting your investments

You should read any disclosure documents prior to investing in any of the Eligible Investments.

As the disclosure documents for each investment may be updated or replaced from time to time, your adviser should provide you with the most recent disclosure documents for each investment you are considering prior to acting on your investment instructions, unless you have already received the disclosure documents which are current on that date.

If you do not have an adviser, you should obtain the relevant disclosure documents (which are available online) and will need to read and confirm you have read these prior to us acting on your investment instructions.

The disclosure documents for each managed investment have been prepared by the relevant underlying product issuer. These documents contain more detailed information about the strategies and objectives, the manager and the administration of the managed investment.

Margin lending - borrowing to increase the amount you invest

Margin lending (also known as gearing) allows you to borrow against your existing investments. Alternatively, instalment gearing enables you to borrow against your regular savings. Margin lending means you can increase the amount of money you can invest.

However, margin lending is a high risk product that is suitable for experienced investors only.

We work with our approved margin lenders to provide enhanced online portfolio reporting to you and your adviser. We will also provide details of your portfolio to your lender.

Your adviser can provide additional information on the margin lending products (including fees and charges), as well as how these products operate in conjunction with Investment Consolidator II. Your adviser can also provide

the necessary loan application documents for the margin lender. You should ensure that you carefully read and understand the margin lender's disclosure documents, including the risks, for a margin loan before you invest.

What are the risks?

In an investment context, risk is the possibility of not meeting your financial objectives.

If the value of your investment is expected to change (up or down) significantly over time, this is considered a volatile or more risky investment. Investments that offer the highest returns generally also carry the highest level of risk.

All investments involve some element of risk. Given the risks of different asset classes over the long-term, investors could generally expect share and property investments to generate the highest average return with the most volatility. Fixed interest and cash investments could be expected to produce lower average returns, but with lower volatility. Periods of extended volatility in both financial markets and the Australian dollar may result in some long-term asset class returns varying from what may generally be expected.

The level of risk associated with your account will depend in part on the investment strategy you and your adviser adopt. You need to consider the specific risks of the investments you choose, which are included in the disclosure documents in addition to the risks described in this Guide.

How does diversification help reduce risk?

An important way to help manage the risks discussed above is to ensure that the investment strategy chosen by you and your adviser includes investments that are diversified across a range of features. Diversification can be achieved in various ways, including investing in various asset classes, market sectors, geographical regions and investment managers. As well as the risks, you should also consider how investing through Investment Consolidator II fits into your overall investment portfolio.

Diversification of your investment portfolio can be used as part of your overall portfolio risk management to limit your exposure to loss or underperformance of any one investment, product issuer or asset class. A lack of diversification (arising from investing a large proportion of your portfolio in the same asset or type of investment) can increase the risk of losses and may lead to a reduction in the amount of your savings.

Investment risks

In considering the associated risks when investing through Investment Consolidator II, the risks you should be aware of can be grouped into two broad categories:

- **general investment risks:** which arise from participating as an investor in financial markets, and
- **specific investment risks:** are risks that stem from the specific investment or product, such as changes to the relevant management, operations or business environment.

It is important to be aware that investment risks may be able to be managed or reduced, but they cannot be eliminated completely. Details of some general and specific risks that investors should consider when

investing through Investment Consolidator II are outlined in the *General investment risks* and *Specific investment risks* tables.

There are other risks that may affect the performance of investments. No assurance or guarantee as to future profitability, return of capital or performance of the investments can be provided by MIML, MBL, nor any other Macquarie Group company or any of the product issuers (except where stated). For more comprehensive details of the risks you may be exposed to, you need to consider this Guide and other disclosure documents of the underlying investments you are considering.

Where you have an adviser, you should discuss these risks with them prior to investing.

General investment risks

Risk	Description
Market	A change in the price of shares (or other listed securities) in which you or your chosen managed investments have invested may result in a loss of principal or large fluctuations in the unit prices. Factors that drive changes in share prices may include changing profitability of, and confidence in, companies, industries/sectors, economic cycles, volume of shares on issue, investor demand levels, business confidence and government and central bank policies. Exposure to this risk may be reduced by investing in a range of investments outside of the affected market(s). Please refer to the <i>How does diversification help to reduce risk?</i> section for further information.
Volatility	Generally, the higher the potential return for the investment, the higher the risk, and the greater the chance of substantial fluctuation in returns (including the possibility of losses) that may occur over time (especially over shorter periods of time). Equity markets may experience sharp declines and become more volatile, at times to very high levels. Investing in such volatile conditions implies a greater level of risk than an investment in more stable markets.
Inflation	Your investments may not keep pace with inflation. Broadly, this means prices may increase by more than the value of your investments. If this eventuates, you would not be able to buy as much with the value of your investments in the future as you could now.
Interest rate	Changes in interest rates may adversely affect the value of certain investments. An increase in interest rates may lead to a reduction in the value of a fixed interest investment, and vice versa. This risk is usually greater for fixed interest investments that have longer maturities.
Default	Where money has been borrowed, there is the risk that the borrower (or product issuer) will not pay the interest and/or repay the principal owing. For borrowers or issuers with lower credit ratings, this risk is generally higher.
Country	The risk that political, economic or social developments may adversely affect the return on an investment in the relevant country. Examples include political instability, recession and war. Exposure to country risk may be higher in relation to investments in emerging markets or developing countries.
Issuer	The risk that the product issuer may not achieve its performance objective or does not produce returns that compare favourably against its peers.
Counterparty	The risk of loss to your investment due to the failure of a party involved in any transaction to meet their obligations. Counterparties can include brokers for exchange traded derivatives, structured investment counterparties, fixed interest investment issuers and term deposit issuers.

Understanding your investments

Risk	Description
Legal and regulatory	Changes in laws or their interpretation, including taxation and corporate regulatory laws, practice and policy could have a negative impact on your investment.
Investment objective	Investment objective risk is the risk that your choice of investments will not meet your objectives. One measure of an investment's risk is how much the returns vary from period to period. The greater the variance in returns, the more likely returns will differ from those expected over a given time period.

Specific investment risks

Risk	Description
Liquidity	<p>Certain investments may be difficult to purchase or sell, preventing their conversion to cash or being rebalanced within a timely period and at a fair price. Choosing an investment that has low liquidity or is not priced on a daily basis may affect the timeframe within which we can process any future request from you to withdraw part or all of your account.</p> <p>Additionally, some investments may, without prior notice, suspend or restrict further withdrawal of funds. It is important that you understand this consequence before you select this type of investment. Please refer to the <i>How do I withdraw?</i> section for further information.</p> <p>While an investment may be liquid at the time of purchase, there is a risk that the investment may become illiquid at a point in the future. Refer to the underlying disclosure documents for each investment option for further details on the investment's liquidity.</p> <p>For term deposits, liquidity risk is the risk of not being able to access your investment in a term deposit prior to the maturity date. There are restrictions on breaking a term deposit held in your account, and these are outlined in the <i>Transacting</i> section.</p>
Concentration	Concentration risk is the risk that poor performance of a single investment or group of investments significantly affects your account's return. Diversification across relevant investment features can reduce the impact of such extremes in performance. For example, a term deposit is not diversified across a range of cash and fixed interest investments. It is a concentrated investment in a single asset, being a deposit with a single issuer. Consequently, making such a concentrated investment gives greater exposure to the underperformance or failure of that single asset or issuer. You should also consider the concentration risk of being exposed to deposit takers as well as holding shares and other investment products issued by that entity. Concentration risk can also arise from holding a range of investment products (even though these may have diverse features) where they are issued by the same particular legal entity or group.
Fund (managed investment)	This is the risk that a fund could terminate, the fees and expenses could change, or key investment manager staff could change. There is also the risk that investing in a fund may give less favourable results than investing directly in the assets in which a fund invests because of the income and capital gains accrued in the fund and the consequences of investment and withdrawal by other investors.
Currency	Currency risk is the risk that fluctuations in exchange rates between the Australian dollar and foreign currencies may cause the value of Eligible Investments to decline significantly. Product issuers may choose to mitigate the impact of currency movement by 'hedging' all or part of the investment's exposure to foreign currencies; however, there is no guarantee this will occur.
Derivative	Product issuers may use leveraged instruments, such as exchange traded futures contracts, to obtain or reduce market exposure. Derivatives, such as futures and options are leveraged instruments whose value is derived from actual underlying assets. These instruments are used to obtain or reduce market exposures. As derivatives can provide leveraged exposure, gains or losses can be greater than the gains or losses on unleveraged positions.

Risk	Description
Geared investment options	Product issuers may borrow money to increase the total amount invested, which increases the volatility of investment returns. This is known as gearing. Gearing an investment option could increase long-term returns. However, if the asset value were to fall, gearing may result in substantial negative returns, as gearing magnifies both gains and losses. In the event of a significant fall in the asset value, the value of a geared investment could fall to less than the total value of borrowings, rendering the investment worthless. This emphasises that gearing is a strategy for high risk investors. An increase in interest rates may also negatively impact returns. There is also a risk that the product issuer may not be able to refinance its borrowings at commercially reasonable rates or at all and may be forced to sell assets. Gearing may not be suitable for all investors. We recommend you discuss the suitability of geared investments with an adviser.
Divergence to Net Tangible Assets	The risk that a listed investment option may trade at a price that is different to the value of the underlying investments that the investment option invests in; ie the Net Tangible Assets (NTA). This risk is present in Listed Investment Companies and Listed Investment Trusts and may affect your ability to redeem shares/units in these assets at a price that accurately reflects the value of the underlying holdings. These securities may trade at a premium above or at a discount below the NTA which in turn may also affect the expected risk/return profile. Note, although this can also occur in Exchange Traded Funds and Exchange Traded Managed Funds, deviation of the trading price from the underlying portfolio value is expected to be minor for these investments given the use of market makers and authorised participants.

For details of other risks specific to SMAs, please refer to the current disclosure documents for these schemes available from your adviser or from us.

Non-investment risks

Service interruptions

As with any service that uses technology, there is some risk that our administration system's hardware and software may fail, causing a delay in the processing and reporting on your account. We have sought to address this risk and the risks associated with other unforeseen circumstances in our business resilience plans and risk management framework. This includes processes to back up our computer systems and regular reviews of our systems and control procedures including an external, independent audit on an annual basis.

You acknowledge that there may be unexpected interruptions or failures in the technology we use to provide services to you. To the extent permitted by law and unless caused by our or our service provider's fraud, negligence or willful misconduct, we are not liable, and do not accept responsibility, for any loss you incur in connection with or arising from a technological failure. Such losses may include delays in processing your instructions or not receiving your instructions.

Reliance on third parties

There is also risk associated with our reliance on information or systems provided by product issuers and other external service providers. We address this risk by having service agreements in place with third parties. If they notify us of any errors, we will correct the errors promptly after we are notified and to the extent that correcting the error is reasonably within our control. If the changes are material, they will be communicated to you and/or your adviser.

About the service and custodian

The Operator, custodian and Investment Consolidator II are regulated by the Australian Securities and Investments Commission (ASIC) under the Corporations Act.

The Custody Service

The operation of the custody service provided to you is set out in the Custody Deed and is described in this Guide. Bond Street Custodians Limited (BSCL) is our agent for the purpose of providing the custody service to you. All investments in Investment Consolidator II must be transacted through the custody service. BSCL has all rights to disclosure in relation to the assets. However, you have the right to elect to receive copies of all communications sent to holders of accessible investments. We will provide these communications to you as soon as practicable, upon request. The obligations on us and BSCL in providing the custody service to you are set out in the Custody Deed, a copy of which can be provided to you on request free of charge.

Operator

MIML is the Operator of the IDPS. Our obligations as operator include (but are not limited to):

- choosing the investment options available to investors
- overseeing that the service operates in accordance with its Custody Deed, and
- reporting regularly to you.

How is investing through Investment Consolidator II different to investing directly?

Your rights

It is important to recognise that acquiring interests in underlying investments through Investment Consolidator II are not identical to holding these investments in your own right.

Please note the following differences:

- the custodian, BSCL or its delegate, will be the legal owner of the assets rather than you
- you do not become the direct unit or interest holder in the managed investments you have selected for your account. The registered unit holder will be BSCL as our agent for you. As such, BSCL may exercise the rights of a unit holder or member or decline to exercise them in accordance with the arrangements specified in the Custody Deed

- cooling-off rights will not apply. These rights are usually available to direct retail investors under s1019B of the Corporations Act. These rights generally allow you to return your investment within a period of 14 days of acquiring the investment and receive a refund
- certain rights and obligations available to, or owing by, the legal owner of an asset are exercisable by us as the Operator, rather than by you. For example, there may be differences in relation to:
 - withdrawal rights (see below under *Withdrawal rights* for further information)
 - transaction processing and unit pricing may differ
- when you make an initial or additional investment in an underlying investment, there is a risk that you may not have considered the most recent disclosure documents for the underlying investment, or that you may not have been made aware of recent material changes or significant events affecting that investment
- you can access managed investments, generally with wholesale fees, which can be significantly cheaper than the retail fees you would pay if you invested in each managed investment directly
- you will not receive correspondence (such as statements) from the Eligible Investments
- as BSCL holds your assets in custody, you are not the registered holder, and are unable to participate in regular or ad hoc meetings (such as annual general meetings for listed companies) nor do you have any voting rights (refer to the *Voting policy* section for further information)
- for term deposits, your investment will be pooled with the funds of other investors who wish to invest for the same term as you. As a result, some of the features and functions that may be described in the term deposit offer documents may not be available to you. For example, grace periods within which certain changes to a term deposit can be made without incurring an interest adjustment do not apply
- for exchange traded securities in your account, BSCL will:
 - instruct Clearing House Electronic Subregister System (CHES) to settle your transactions in line with market practice, and
 - control your holdings on CHES in line with the business rules of the relevant exchange
- instructions to brokers are made on behalf of the custodian and not in your own right

- international listed securities in your account will be held in custody for you by the custodian or its delegate(s), who will settle your transactions in line with market practice. You will be required to meet the minimum parcel and trading requirements of the international listed security/exchange
- domestic fixed income securities in your account will be held in custody for you by the custodian or its delegate(s), who will settle your transactions in line with market practice. You will be required to meet the minimum parcel and trading requirements of the issuer or approved fixed income broker
- you will not receive notices or correspondence from share registries regarding your listed securities holdings (such as corporate action notifications)
- where a corporate action occurs and results in a compulsory acquisition, you will not have the right to object.

Client monies

MIML and BSCL operate pooled bank accounts that are held in trust (Trust Accounts) to receive and make payments in relation to your account. The Trust Accounts are operated in accordance with the Client Money Rules as set out in the Corporations Act. The monies paid into the Trust Accounts in connection with your account are not used to meet any obligations other than those incurred in respect of your account.

The Trust Accounts operate in the following way:

- each Trust account is a bank account held with an Australian deposit-taking institution (including MBL) or an approved foreign bank
- payments out of a Trust Account will only be made in the following circumstances:
 - making payment to your Wrap Cash Account or to another Trust account
 - making payments to settle transactions instructed by you or your nominated adviser or in accordance with any other directions received from you or your nominated adviser
 - paying MIML or BSCL any monies that you owe them
 - paying brokerage and other proper charges, and
 - making a payment that is otherwise authorised by law
- any interest earned on funds paid into in a Trust Account is retained by MIML or BSCL, as the case may be, and not returned to individual clients.

Withdrawal rights

As BSCL is the registered holder of accessible investments, it is the direct investor and holds all relevant withdrawal rights. These withdrawal rights may differ from investing directly due to BSCL's wholesale client status and depending on whether BSCL was provided with a disclosure document for the purposes of investing on your behalf.

Please note that withdrawal rights for an accessible investment may not be available if the relevant disclosure document becomes defective before issue of the investment. Because BSCL will be the registered owner (and you are investing indirectly), the product issuer would not be required to return the investment to you or provide you with other options such as notification of an option to withdraw under s724 or s1016E of the Corporations Act.

Withdrawal rights may also be affected where redemptions are offered on a scaled-back basis, for example, where the investment is 'illiquid'. As your investments may be pooled with other investors, the amount you could be entitled to may be distributed pro-rata with the other investors resulting in an amount less than would be the case if the investment was held individually.

Voting Policy

Where BSCL receives notice of meetings or resolutions that relate to Eligible Investments, we do not proactively make this information available to you or your adviser.

We maintain a voting policy under which we do not offer voting rights, however there are limited circumstances when we may:

- allow client instructions to be made via proxy in writing, and/or
- actively solicit your voting instruction.

These circumstances include:

- fulfilling our obligations under applicable law
- where the investors are 'key management personnel' as defined by the Corporations Act
- investors who hold a material interest in the investment that could reasonably be expected to impact the outcome of a resolution.

Where such matters are brought to our attention:

- we will endeavour to provide you with the material that would have been sent to you if you were a direct investor
- we will not permit you to act as a corporate representative on behalf of BSCL - instead we will accept your written voting instructions so that BSCL can endeavour to lodge these via proxy
- we may require confirmation in writing from the relevant company secretary or other representative to confirm your eligibility to participate in some or all of the resolutions. Where this confirmation is sought, we will not pass on your instructions until this has been provided
- we do not accept any responsibility for acting on your instructions (including where such an instruction may contravene the law or any regulation)
- any instruction to vote must be received at least three Business Days prior to the registry cut-off time

About the service and custodian

- a standing instruction for future resolutions cannot be provided – we must receive direction for each voting opportunity as it arises
- BSCL, as custodian for the service, generally does not vote on company or scheme resolutions and other corporate actions.

A copy of our voting policy is available free of charge on request.

Related party arrangements

Custodian and Authorised Broker

We have appointed BSCL to hold your investments in custody. BSCL also liaises with the product issuers of your investment options. BSCL, MIML and MBL are Macquarie Group entities.

Your adviser can effect Australian listed security transactions through the Authorised Broker, which may be a Macquarie Group entity.

Responsible Entity (RE) for Managed Accounts

Macquarie Investment Services Limited (MISL) is the Responsible Entity for the Macquarie Separately Managed Accounts (SMA) available on the Investment Menu. MISL is a Macquarie Group entity.

Related party issues

The Macquarie Group is a global provider of banking, financial advisory, investment and funds management services.

Except in relation to the interest rate paid by MBL on the Wrap Cash Account (see the *Your Wrap Cash Account* section under *How does Investment Consolidator II work?* in this Guide), the arrangements between Macquarie Group entities are on arm's length terms. We will monitor and review counterparty arrangements with related parties to ensure they are carried out efficiently and properly.

The Macquarie Group acts on behalf of institutional, corporate and retail clients and counterparties around the world. MIML, as the Operator of the IDPS, generally has no control over these activities. As a result, from time to time, underlying investments offered through the IDPS may be restricted, for example due to regulatory constraints applicable to the Macquarie Group, and/or its internal policies designed to comply with such constraints.

In certain circumstances, statutory or internal Macquarie Group imposed restrictions may preclude the acquisition or disposal of securities through the IDPS.

When we act on your investment instructions, we may deal with other Macquarie Group companies. These companies may receive benefits and may also be dealing as principal or dealing on behalf of other accounts which are under the group management of the Macquarie Group. Where we invest in accordance with your instructions, we must deal with the other party to the investment transaction at arm's length terms.

Managing conflicts of interest

As Macquarie is a financial institution that participates in both the domestic and international markets, both real and perceived conflicts of interest may arise when adding to or removing from the Investment Menu. For example, related parties of MIML act as the responsible entity for a number of Eligible Investments on our Investment Menu.

Where you select the Engage Investment Menu option, the investments that are available may be limited to investments issued by our related parties.

Macquarie has systems and protocols in place to identify conflicts of interest and a framework, including policies, for managing conflicts. Any potential conflicts that may arise in the investment selection process for Eligible Investments on the Investment Menu or as a result of related party transactions are handled in accordance with this conflicts management framework.

Information from underlying investments

BSCL holds the investments in your account and receives all communication from the issuers of the investments in your account. You can request a copy of these communications and, where possible, we will provide them to you directly or your adviser directly or through our website, as soon as practicable.

Keeping you informed

You may request an up-to-date copy of the IDPS Guide for Investment Consolidator II at any time from your adviser or us free of charge. Where applicable, you should read the relevant disclosure documents prior to investing.

As disclosure documents may be updated or replaced from time to time, your adviser should provide you with the most recent disclosure documents for each investment you are considering. The disclosure documents for each investment are prepared by the relevant product issuer. These documents contain information about the product issuer and the management and administration of the investment. The most recent versions of these documents are available online or from your adviser. If you are unable to access the online information, your adviser or MIML can provide a copy free of charge.

If an event occurs about which we have not yet informed you, but which we believe is an important consideration when making additional investments or switches within your account, we may be unable to immediately comply with any investment instructions we receive from you. In this event, we will forward you the relevant information and will only execute your instructions when we believe you have received all the necessary information.

Complaints

We have procedures in place to properly consider and deal with any complaints within 30 days of their receipt. For particularly complex matters or where there are delays which are caused by circumstances beyond our control, a longer response time may be necessary, in which case we will:

- notify you of the delay and the reasons for the delay
- advise you of your right to complain to our external dispute resolution scheme
- provide you with details of our external dispute resolution scheme.

If you have a complaint or would like additional information, please refer to **macquarie.com.au/feedback-and-complaints**.

If your complaint is about:

- the financial advice you received or your investment selection/strategy, we recommend you discuss this complaint with your adviser or refer to the complaints section of your adviser's financial services guide
- the investments in your account, you will be able to raise your complaint directly with the issuer of that investment. Macquarie can assist you with this, or
- the Investment Consolidator II service itself, you may wish to contact our Complaints Manager by phone, or in writing to:

The Complaints Manager

Macquarie Wrap
GPO Box 4045
Sydney NSW 2001
Telephone: 1800 899 485
Email: **complaints@macquarie.com**

Australian Financial Complaints Authority

MIML is a member of the Australian Financial Complaints Authority (AFCA). If you are not satisfied with our response to your complaint after 30 days, you may lodge a complaint with AFCA.

AFCA provides a fair and independent financial services complaint resolution service that is free to consumers. You can contact AFCA via the following, quoting **membership number 10635**:

Australian Financial Complaints Authority

GPO Box 3
Melbourne VIC 3001
Telephone: 1800 931 678 (free call)
Email: **info@afca.org.au**
Website: **www.afca.org.au**

Macquarie Customer Advocate

The Macquarie Customer Advocate's role is to:

- listen to our customers and provide a customer-centric voice when making recommendations to improve customer experience
- minimise the risk of future problems by reviewing key customer themes, and
- work with Macquarie complaint teams to promote fair and reasonable customer outcomes.

The Macquarie Customer Advocate is separate to Macquarie's operating, risk and support groups including its internal dispute resolution teams and can be contacted at:

The Customer Advocate

Macquarie Group Limited
GPO Box 4294
Sydney NSW 1164
Email: **customeradvocate@macquarie.com**

Fees and other costs

Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30 year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs. You may be able to negotiate to pay lower fees. Ask MIML or your financial adviser.¹

To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission** (ASIC) Moneysmart website (www.moneysmart.gov.au) has a managed investment fee calculator to help you check out different fee options.

This section shows fees and other costs that you may be charged. These fees and costs may be deducted from your money, from the returns on your investment or from the assets of your account.

You should read all the information about fees and costs because it is important to understand their impact on your investment.

Taxes are set out in another part of this document.

The information in the sections *Fees and costs summary*, the *Example of annual fees and costs*, the *Cost of product information* and the *Additional explanation of fees and costs* apply regardless of which investment options you choose in Investment Consolidator II. For the particular fees and other costs of each investment option made available through Investment Consolidator II, please refer to the relevant disclosure documents for each investment option.

1. You cannot negotiate to pay lower platform fees and costs. However, the fees and costs payable to your adviser can be negotiated with them. Refer to the *Additional explanation of fees and costs* section for further information on these fees and costs.

Fees and costs summary

Macquarie Investment Consolidator II

Type of fee or cost	Amount	How and when paid												
Ongoing annual fees and costs														
Management fees and costs The fees and costs for managing your investment. The fees and costs charged by us relate only to gaining access to the investment options through the wrap platform and do not include the fees and costs that relate to investing in investment options.	Engage Investment Menu option An account keeping fee of \$20 per month applies on your account.	The account keeping fee applies to both the Engage and Elevate Investment Menu options. It applies regardless of your account balance.												
	Elevate Investment Menu option Account keeping fee An account keeping fee of \$33 per month applies on your account. AND		Tiered administration fee¹ Account balance: <table border="0"> <tr> <td>On the first \$300,000</td> <td>Administration fee</td> <td>0.30% pa</td> </tr> <tr> <td>Over \$300,000 to \$500,000</td> <td></td> <td>0.20% pa</td> </tr> <tr> <td>Over \$500,000 to \$1,000,000</td> <td></td> <td>0.10% pa</td> </tr> <tr> <td>Over \$1,000,000 to \$1,250,000</td> <td></td> <td>0.05% pa</td> </tr> </table> Amounts above: \$1,250,000 Nil	On the first \$300,000	Administration fee	0.30% pa	Over \$300,000 to \$500,000		0.20% pa	Over \$500,000 to \$1,000,000		0.10% pa	Over \$1,000,000 to \$1,250,000	
On the first \$300,000	Administration fee	0.30% pa												
Over \$300,000 to \$500,000		0.20% pa												
Over \$500,000 to \$1,000,000		0.10% pa												
Over \$1,000,000 to \$1,250,000		0.05% pa												
	Administration fee on international listed securities and /or domestic fixed income securities \$25 per month AND	Calculated on the last day of the month if an account holds either international listed securities or domestic fixed income securities. The administration fee is charged from the Wrap Cash Account monthly in arrears.												
	Sub-custody fees International listed securities: Account balance <table border="0"> <tr> <td>On the first \$500,000</td> <td>Fee</td> <td>0.25% pa</td> </tr> <tr> <td>Over \$500,000 to \$1,000,000</td> <td></td> <td>0.10% pa</td> </tr> <tr> <td>Amounts above \$1,000,000</td> <td></td> <td>0.05% pa</td> </tr> </table> Domestic fixed income securities: 0.05% pa of the value of any domestic fixed income securities within your account.	On the first \$500,000	Fee	0.25% pa	Over \$500,000 to \$1,000,000		0.10% pa	Amounts above \$1,000,000		0.05% pa	Calculated monthly, based on the daily closing value of your account's international listed securities and domestic fixed income securities. The sub-custody fee will be charged from your Wrap Cash Account generally in the first week of the month after the fees accrue or upon closure of your account.			
On the first \$500,000	Fee	0.25% pa												
Over \$500,000 to \$1,000,000		0.10% pa												
Amounts above \$1,000,000		0.05% pa												

1. The administration fee rates in each tier apply to the portion of the account in the respective tier.

2. Please refer to the *Additional explanation of fees and costs* section for further details. Refer to the Wrap Cash Account offer document for information on other fees payable on your Wrap Cash Account.

Type of fee or cost	Amount	How and when paid
<p>Performance fees Amounts deducted from your investment in relation to the performance of the product</p>	Nil	Not applicable
<p>Transaction costs The costs incurred in your account when buying or selling assets</p>	<p>Brokerage For Australian listed security transactions, the brokerage amount charged will depend on your nominated broker. If trades are placed through the wrap platform the Authorised Broker will charge standard brokerage costs of 0.12% of the amount transacted up to a maximum of \$100 and a minimum of \$30 for each transaction.</p> <p>For international listed security transactions, brokerage will apply at the rate of 0.15% of the value of the transaction, together with any out-of-pocket expenses (such as local market and government charges) incurred.</p> <p>Brokerage on domestic fixed income security transactions will be set by the eligible fixed income broker.¹</p>	Payable to the nominated broker. Brokerage is calculated by your nominated broker and payable at the time of each transaction. Brokerage will be added to the cost or deducted from the proceeds, of each transaction.
Investor activity related fees and costs (fees for services or when your money moves in or out of your account)²		
<p>Establishment fee The fee to open your investment</p>	Nil	Not applicable
<p>Contribution fee The fee on each amount contributed to your investment</p>	Nil	Not applicable
<p>Buy-sell spread An amount deducted from your investment representing costs incurred in transactions in your account</p>	Nil	Not applicable
<p>Withdrawal fee The fee on each amount you take out of your investment</p>	Nil	Not applicable
<p>Exit fee The fee to close your investment</p>	Nil	Not applicable

1. See *Brokerage on listed security transactions* in the *Additional explanation of fees and costs* section for more information.

2. Other fees and costs such as advice fees for personal advice and special request fees may apply. See the *Additional explanation of fees and costs* section for further information.

Macquarie Investment Consolidator II

Type of fee or cost	Amount	How and when paid
Switching fee The fee for changing investment options	\$50.00 per transaction on non-automated transactions on international listed securities and participating in international corporate actions.	Payable to MIML per transaction. Calculated at the time of each transaction based upon the number of transactions and debited from your Wrap Cash Account, generally in the first week of the month after the fees were accrued or upon closure of your account

Example of annual fees and costs

Engage Investment Menu option

Example of annual fees and costs for a balanced investment option¹ or other investment option

This table gives an example of how the ongoing annual fees and costs in the balanced investment option for this product can affect your investment over a 1-year period. You should use this table to compare this product with other products offered by managed investment schemes.

EXAMPLE – Macquarie Evolve Growth Multi-Asset SMA model portfolio		Balance of \$50,000 with a contribution of \$5,000 during the year
Contribution fees	Nil	For every additional \$5,000 you put in, you will be charged \$0 .
PLUS Management fees and costs	\$240 (Account keeping fee of \$240 per year deducted monthly directly from your Wrap Cash Account)	And , for the \$50,000 you have in the Macquarie Evolve Growth Multi-Asset SMA model portfolio, you will be charged or have deducted from your investment \$240 each year.
PLUS Performance fees	Nil	And , you will be charged or have deducted from your investment \$0 in performance fees each year.
PLUS Transaction costs	Nil	And , you will be charged or have deducted from your investment \$0 in transaction costs each year.
EQUALS Cost of Macquarie Evolve Growth Multi-Asset SMA model portfolio		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs in the range of: \$240 to \$240* What it costs you will depend on the investment option you choose and the fees you negotiate.**

* Additional fees may apply. See the *Additional explanation of fees and costs* section for other fees and costs which may apply.

** What it costs you will also depend on the listed security transactions you make, your nominated broker and the fees you negotiate with your adviser. To understand all the fees and costs payable, including those which apply to the Eligible Investments that you hold, you should look at both this Guide and the disclosure documents for the relevant Eligible Investments.

1. The law requires that this example use a "balanced investment option" which is defined as an investment option in which the ratio of investment in growth assets, such as shares or property, to investment in defensive assets, such as cash or bonds, is as close as practicable to 70:30.

Elevate Investment Menu option

Example of annual fees and costs for a balanced investment¹ option or other investment option

This table gives an example of how the ongoing annual fees and costs in the balanced investment option for this product can affect your investment over a 1-year period. You should use this table to compare this product with other products offered by managed investment schemes.

EXAMPLE - Vanguard Growth Index Fund²		Balance of \$50,000 with a contribution of \$5,000 during the year
Contribution fees	Nil	For every additional \$5,000 you put in, you will be charged \$0 .
PLUS Management fees and costs	\$546 (Account keeping fee of \$396 per year + the tiered administration fee of 0.30% pa ³ deducted monthly directly from your Wrap Cash Account)	And , for the \$50,000 you have in the Vanguard Growth Index Fund ² , you will be charged or have deducted from your investment \$546 each year.
PLUS Performance fees	Nil	And , you will be charged or have deducted from your investment \$0 in performance fees each year.
PLUS Transaction costs	Nil	And , you will be charged or have deducted from your investment \$0 in transaction costs each year.
EQUALS Cost of Vanguard Growth Index Fund ²		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs in the range of: \$546 to \$546* What it costs you will depend on the investment option you choose and the fees you negotiate.**

* Additional fees may apply. See the *Additional explanation of fees and costs* section for other fees and costs which may apply.

** What it costs you will also depend on the listed security transactions you make, your nominated broker and the fees you negotiate with your adviser. To understand all the fees and costs payable, including those which apply to the Eligible Investments that you hold, you should look at both this Guide and the disclosure documents for the relevant Eligible Investments.

1. The law requires that this example use a "balanced investment option" which is defined as an investment option in which the ratio of investment in growth assets, such as shares or property, to investment in defensive assets, such as cash or bonds, is as close as practicable to 70:30.
2. Vanguard is a trademark of The Vanguard Group Inc
3. The administration fee is calculated monthly on the daily closing balance of your account, including the Wrap Cash Account but excluding other personal assets. The rate shown here applies up to an account balance of \$300,000, over which the rate reduces. For more information on the administration fees, please refer to the *Fees and costs summary*.

Cost of product for 1 year

The cost of product gives a summary calculation about how ongoing annual fees and costs can affect your investment over a 1-year period for all investment options. It is calculated in the manner shown in the Example of annual fees and costs.

The cost of product assumes a balance of \$50,000 at the beginning of the year with a contribution of \$5,000 during the year. (Additional fees such as an establishment fee or an exit fee may apply: refer to the *Fees and costs summary* for the relevant option.)

You should use this figure to help compare this product with other products offered by managed investment schemes.

Option	Cost of Product
Engage Investment Menu option Macquarie Evolve Growth Multi-Asset SMA model portfolio	\$240
Elevate Investment Menu option Vanguard Growth Index Fund ¹	\$546

The fees and costs charged by us disclosed above relate **only** to the wrap platform and access to the accessible Eligible Investments, and do **not** include the fees and costs of the Eligible Investments. Additional fees and costs will be charged by the issuers of the Eligible Investments that you choose to hold. To understand the combined effect of all the fees and costs payable, including those which apply to the Eligible Investments that you hold, you should look at **both** this Guide and the disclosure documents for the relevant Eligible Investments. Also see the following further example showing the combined effect of the fees and costs for the wrap platform and the fees and costs for an example balanced investment option.

1. Vanguard is a trademark of The Vanguard Group Inc.

2. The administration fee is calculated monthly on the daily closing balance of your account, including the Wrap Cash Account but excluding other personal assets. The rate shown here applies up to an account balance of \$300,000, over which the rate reduces. For more information on the administration fees, please refer to the *Fees and costs summary*.

Additional explanation of fees and costs

The fees shown in the *Fees and other costs* section and this *Additional explanation of fees and costs* section are inclusive of any applicable Goods and Services Tax (GST) and reduced by any input tax credits or reduced input tax credits (RITCs), unless expressly stated otherwise.

General information about fees and costs

The total fees and charges you pay will include the costs of this service as well as the cost of any Eligible Investments you choose. It is important that you understand the fees and costs of any Eligible Investment you choose, and that those fees and costs are in addition to the fees charged by us for the service, together with transaction and account costs incurred on your behalf. The costs of the Eligible Investments you choose will generally be set out in the disclosure documents for the Eligible Investments you select.

Except where noted, fees will be debited from the Wrap Cash Account, generally in the first week of the month after the fees were accrued or upon the closure of your account. If you have insufficient available cash in your Wrap Cash Account, we reserve the right to sell down your holdings to top up the Wrap Cash Account to the required minimum and deduct outstanding fees. For further information, please refer to the *Transacting* section.

Increases or alterations in the fees and costs

We reserve the right to, acting reasonably, increase the fees and costs outlined in this Guide, and to charge for other miscellaneous services. We will give you notice, as required by law, if any fees or charges increase or if any new fees or charges are introduced.

The platform fees may be increased each year to the Consumer Price Index (CPI), taking into account the movements in the CPI since the service inception date, 23 November 2019, or the last recalculation. Any increase will not be greater than the percentage change in the CPI since the service inception date of 23 November 2019 or the last recalculation.

Further details about fees

Fees applicable during a month

Fees commence accruing on your account following your first investment or the successful receipt of any assets you've transferred into your account via in-specie transfer.

The monthly fee (including the account keeping fee and tiered administration fee) will apply irrespective of the size of your initial deposit, even if it is below the minimum balance.

The fees set up on your account as at the end of a given month (or on or before the day when your account is closed) will be the fees applicable for that month (or part thereof if the account is opened or closed within that month). For example, if you change a fee amount mid-month, the fee collected for that month will be based on the new fee.

Where we receive notice that the adviser on your account has changed during the month, the new adviser will receive all fees applicable for that month, based on the fees applicable at the end of the month.

Changes in valuations

In some instances, the value of your account on a date in the past may be updated. Examples of when this may occur are where a product issuer corrects a unit price error or where an incorrect price was provided to us and we correct the error.

In these circumstances there will be no recalculation of any fees already charged to your account.

Changing or removing your adviser

In some instances, your adviser's licensee may negotiate an arrangement whereby a rebate of the standard administration fees shown in the *Fees and other costs* table is applied. In such cases, we will pass on this rebate to you in the form of a reduced administration fee.

If you choose to change your adviser who is linked to your account or your adviser chooses to change their licensee, this may result in a change to this rebate. This could lead to an increase or decrease in the net administration fees paid, depending on the rebates applicable to you under each adviser and/or licensee.

Where you remove the adviser and/or licensee on your account, this may result in the removal of an applicable rebate, which could lead to an increase in the net administration fees paid to the standard rates disclosed in the *Fees and other costs* table.

You may wish to consider the impact this may have on your account when making any adviser and/or licensee changes.

Broker handling fees

Some corporate actions pay handling fees. In those events, the Authorised Broker is appointed as your broker for the purpose of handling the action, and may retain any applicable handling fees. The Authorised Broker may pay those fees onto your broker or adviser where entitled and claimed within specified timeframes. These fees are not an additional cost to you.

Incidental fees

You may incur incidental fees resulting from certain requests or transactions on your account. Incidental fees also apply to your Wrap Cash Account. Please refer to the Macquarie Wrap Cash Account offer document for further details.

Incidental fees	Amount ¹
Failed trade fee: If you have insufficient available cash in your Wrap Cash Account to pay for a purchase or if you instruct us to sell assets that are not held in your account.	\$36 per day until settlement or cancellation (the relevant exchange may also charge a fee).
Other services: Additional fees may be charged for any other services we perform on your account.	\$100 per hour. For example, where investments require cost base information to be adjusted, we will charge to make these changes.
In-specie transfer out fee: Generally there is no fee payable on closing your investment. However, if you request an in-specie transfer of assets out of your account, then an asset transfer fee will apply.	\$20 per asset transferred out (applies to all investments that are permitted to be transferred out).

Advice fees

You can negotiate with your adviser the fees that will be payable for the advice services to be provided to you. You must specify the agreed fee amounts in the application form or subsequent written communications to us. If no amounts are specified, these fees will be nil.

By completing and submitting the application form or signing other communications to us from your adviser, you authorise us to debit your Wrap Cash Account with the amounts described. Either MIML or BSCL will hold these amounts in a pooled bank account that is held in trust until we pay the agreed fees to your adviser. Any interest earned on the amounts held in the trust account will be retained by MIML or BSCL, as the case may be.

We are able to reject the amount of advice fees if we believe they are unreasonable.

1. Except where noted, fees will be debited from your Wrap Cash Account, generally in the first week of the month after the fees were accrued or upon closure of your account.

Additional explanation of fees and costs

The types of advice fee for personal advice that may be agreed with your adviser are set out in the table below.

Type of fee	Amount	How and when paid
One-off advice fee payable to your adviser	You and your adviser may negotiate the amount of a one-off advice fee (if any) that your adviser will be paid.	One-off advice fees are dollar-based fees deducted from the Wrap Cash Account, generally in the first week of the month after the fees were accrued or upon closure of your account.
Fixed-term advice fees payable to your adviser	You and your adviser may negotiate the amount of fixed-term advice fees (if any).	Fixed-term advice fees are percentage and/or dollar-based monthly fees to be paid under arrangements for a period of 12 months or less. If percentage-based, the fee will be calculated on the daily closing balance of applicable assets and/or your whole account. Fixed-term advice fees are deducted from the Wrap Cash Account, generally in the first week of the month after the fees were accrued or upon closure of your account.
Ongoing advice fees payable to your adviser	You and your adviser may negotiate the amount of ongoing advice fees (if any).	Ongoing advice fees are percentage and/or dollar-based ongoing monthly fees, payable to your adviser. If percentage-based, the fee will be calculated on the daily closing balance of applicable assets and/or your whole account. Ongoing advice fees are deducted from the Wrap Cash Account, generally in the first week of the month after the fees were accrued or upon closure of your account.
Transaction advice fees payable to your adviser	You and your adviser may negotiate the amount of transaction advice fee (if any) for buy transactions placed by your adviser.	Transaction advice fees are percentage and/or dollar-based fees that apply to each buy transaction initiated by your adviser through the wrap platform. If percentage-based, the fee will be calculated on the settled value of the transaction (excluding brokerage). This fee is deducted from the Wrap Cash Account, generally in the first week of the month after the fees were accrued or upon closure of your account. Transaction advice fees are not available on transactions that take place via automated investment management tools or for transactions within SMAs.

Advice fees may be structured in a number of ways as a combination of one or more of the following types of fees:

1. a flat dollar fee
2. a percentage fee applied to the balance of applicable assets either as a flat percentage fee or as tiered percentage fees
3. a percentage fee applied to your whole account balance (including or excluding your Wrap Cash Account) either as a flat percentage fee or as tiered percentage fees,
4. a transaction advice fee applied as a dollar fee or as a percentage of the value of the buy transaction.

These advice fees may be calculated on the aggregated balance of grouped accounts. Please refer to *Fee aggregation* in the *Additional explanation of fees and costs* section for further details.

Advice fees when your adviser changes

Your advice fee arrangements may change or cease where, for example:

- you change your adviser to a new adviser who is licensed to/under a different licensee
- your adviser's licensee changes
- you cease to have an adviser, or
- you do not renew a fee arrangement with your adviser or adviser's licensee.

Where such an event occurs, it is important that you inform us of the event and any changes to the fee arrangement with your adviser. Where you have changed your adviser and/or licensee, we may continue to deduct advice fees in accordance with the advice fee consent provided to us.

Any fees accrued for a month will be paid to the adviser who is linked to the account at the end of the month.

If we are informed that you cease to have an adviser, we will stop deducting advice fees from your account.

Changing or removing the adviser and/or licensee may also change the administration fees payable by you. Refer to *Changing or removing your adviser* for more details.

Advice fees upon death

In the event of your death, existing advice fees will cease to be deducted from your account (excluding joint accounts where advice fees will continue until we receive a new fee instruction from the surviving party).

If advice fees are to be deducted from the account, the executors or administrators of your estate will be required to enter into a new fee arrangement with an adviser and provide the relevant fee instructions to us.

Fee Aggregation

When you, your spouse or other family members group your accounts, the tiered administration fees and/or advice fees may be calculated on a larger group balance, rather than your individual account balance.

Up to eight accounts can be grouped for fee aggregation for this purpose. All other fees, including the account keeping fee, cannot be grouped and will apply on each applicable account.

A group can consist of accounts held by your spouse, de facto or domestic partner, children, parents or siblings and any company, trust or self-managed super fund where you or any of the individuals listed above are the directors, trustees or beneficiaries. We will generally require all accounts within a group to have the same adviser linked to each account. We may, at our discretion, determine whether an account can be included in a group for fee aggregation purposes.

Where your account is grouped for fee aggregation purposes, your account details, including name, number, account balance and applicable fees and costs may be disclosed to the owners of the other accounts in the group and/or third parties where we determine that it is reasonably necessary for us to administer or manage the fee aggregation feature and/or to provide detailed workings and calculations of the fees paid or payable on accounts in the group (for example if the fees of an account in the group are the subject of, or relevant to, an investigation or dispute).

Where an account joins or leaves the group, the administration and/or advice fees payable on your account may be impacted and may increase. Changes to the group membership do not require all grouped account holders' consent.

Where one of the accounts in a group is closed or exits the group ('Exiting Account'), the Exiting Account may be excluded for fee aggregation purposes for the month in which it is closed or exits the group. The Exiting Account may be charged fees independently of any of the other accounts, for that month.

Tiered administration fees across grouped accounts

Only accounts in the group utilising the Elevate Investment Menu option will be included for tiered administration fee aggregation.

Where your account is grouped and utilises the Elevate Investment Menu option, the tiered administration fees will be calculated according to the total balance of grouped accounts which are eligible for administration fee aggregation and the amount charged to your account will be apportioned based on your account balance and what it represents as part of the total group balance (excluding the Wrap Cash Account balances for superannuation and pension accounts). For a worked example of how administration fees are calculated using fee aggregation, see the example *Fee aggregation for tiered administration fees* in the *Further worked examples* section.

Where an account in a group switches from the Elevate Investment Menu option to the Engage Investment Menu option, once the switch has been processed, that account will be excluded for administration fee aggregation purposes.

Conversely, where an account in a group switches from the Engage Investment Menu option to the Elevate Investment Menu option, the balance of the account will begin counting for administration fee aggregation purposes once the switch to the Elevate Investment Menu option has been processed.

Please note: that outstanding transactions or accounts holding investments not available on the Engage Investment Menu option may delay a switch request. See the *Switching between investment menu options* section for more details.

Advice fees across grouped accounts

You and your adviser can agree to utilise fee aggregation for some of your ongoing and fixed-term advice fees. Fee aggregation can be customised to apply differently across members of the same group. The relevant fees will be calculated according to the total applicable balance of grouped accounts and the amount charged to your account will be apportioned based on your account balance and what it represents as part of the total group balance.

Managed Investment fees

As part of or in addition to the investment fees payable to product issuers outlined in the disclosure documents, product issuers of managed investments may charge the following fees.

Managed Investment Performance fees

MIML does not charge performance fees but you may indirectly incur performance fees as a consequence of investing in the various managed investments. These fees are generally included in the unit price and/or distributions and are not debited directly from your account.

The current performance fees (and the method of charging them) that apply to each managed investment should be set out in the relevant disclosure documents available online or from your adviser. Performance fees will change from time to time in accordance with the rules specified by the individual product issuers.

Managed Investment buy/sell spreads

MIML does not charge a buy/sell spread but you may indirectly incur buy/sell spreads as a consequence of buying and selling managed investments. Buy/sell spreads are a cost deducted from the value of a managed investment that represents an apportionment, among investors, of the actual or estimated costs incurred in transactions by the investment. It can mean that individual investors in managed investments more equitably share the costs associated with buying and selling the underlying investments.

Buy/sell spreads apply at the time of each transaction and are charged by the individual product issuers in one of two ways:

- by reducing the particular managed investment's performance (unit price), or
- by adjusting the application and/or withdrawal price.

The current buy/sell spreads (and the method of charging them) that apply to each managed investment must be set out in the disclosure documents issued by each product issuer. Generally, these amounts can vary from 0.00 per cent to 2.50 per cent (for example, between \$0 and \$25.00 per \$1,000). These are estimates only, based on information provided by the product issuers of the available managed investments.

Buy/sell spreads may change from time to time in accordance with the rules specified by the individual product issuers. Buy/sell spreads are charged directly by the product issuer, no portion is retained by us. Buy/sell spreads are additional costs that you incur only if you transact in managed investments.

Brokerage on listed security transactions

Your nominated broker may charge brokerage on the purchase and sale of Australian and international listed securities.

Brokerage is calculated and payable at the time of each transaction and will be added to the cost, or deducted from the proceeds, of the transaction.

An online execution only trading service is available through the wrap platform. When you open your account, the Authorised Broker is automatically nominated as the broker authorised to purchase and sell Australian listed securities on your account through this service. Your adviser is the person that you authorise to place these trades.

Brokerage will apply on all Australian listed security transactions placed through the wrap platform via the Authorised Broker at a rate of 0.12 per cent of the amount transacted up to a maximum brokerage charge of \$100. A minimum brokerage charge of \$30 applies to each online transaction. For example, for a trade of \$100,000, the Authorised Broker will receive a maximum amount of \$100. If a trade is partially filled and then amended, each amendment that is filled will be treated as a new transaction when calculating brokerage.

If you trade Australian listed securities outside of this service, you will negotiate the brokerage costs directly with your nominated broker. You should contact these brokers for information on the fees and costs applicable for their service. Brokerage costs are paid directly to your nominated broker. Your broker is responsible for the service they provide to you and our role in these trades is limited to facilitating the settlement of transactions placed by your nominated broker.

For international listed securities, the International Broker will charge brokerage at the rate of 0.15 per cent of the value of the trade, together with any out-of-pocket expenses (such as local market and government charges) incurred.

Brokerage on domestic fixed income securities will be set by the eligible fixed income broker. Brokerage costs are additional costs that you incur only if you transact in Australian and international listed securities and domestic fixed income securities. For further information, please speak to your adviser or contact us.

For brokerage charges on listed security transactions within an SMA, please refer to the disclosure documents for the SMA available from your adviser or from us.

Payments made to or received from other parties

Where permitted by law, Macquarie will receive from the product issuer or fund manager, an annual platform fee, and for each investment option on our Investment Menu, a product access payment for the services that Macquarie provides in relation to the product(s).

Some fund managers or product issuers may pay us rebates where this is permitted by law. These amounts are passed on in full where you had a holding in a product that has paid us a rebate, your account remains active at the time we make the payment, and you are not eligible for a licensee negotiated rebate in relation to the same product. The amount we pass on to you will be pro-rated, taking into account the value of your investment in, and time you held, the relevant product.

Your adviser's licensee may negotiate rebates with fund managers or product issuers which we may agree to facilitate where this is notified to us and permitted by law. These amounts will be passed on in full where you had a holding in a product that has paid us a rebate, your account remains active at the time we make the payment and you were a client of your adviser's licensee at the end of the calendar quarter for which the payment relates to. The amount we pass on to you will be pro-rated against holdings of clients of your adviser's licensee, taking into account the value of your investment in, and time you held, the relevant product. Where you change or remove your adviser, or your adviser chooses to change licensee, this may affect a rebate benefit you may receive. You may wish to consider the impact this may have on your account when making any adviser and/or licensee changes. You should contact your adviser for more information.

Separate to any fees which you may agree with your adviser as set out in this Guide, your adviser may receive benefits provided by us at no extra cost to you. We reserve the right to decide whether or not we will make these benefits available if permitted by law and will cease to do so if required by law. Where applicable, you may negotiate with your adviser to rebate some benefits.

Where permitted by law, we may also draw on our own resources to provide benefits such as technical support or training and education benefits to licensed broking and financial advisory firms.

Please refer to the Wrap Cash Account offer document available online [macquarie.com.au/investing/macquarie-wrap](https://www.macquarie.com.au/investing/macquarie-wrap) for information on any benefits payable by MBL in relation to your Wrap Cash Account. MBL reserves the right to decide whether or not it will make these payments and will cease to make such payments if required by law.

We maintain records in relation to other forms of remuneration that are provided to advisers and/or financial services licensees, in accordance with applicable requirements. If you would like to review these records, please contact your adviser.

Tax

For a broad outline of the taxes that may apply and tax consequences of your account, please refer to the *Taxation* section.

Goods and Services Tax (GST)

GST will generally apply to the fees and expenses charged by MIML. It may also apply to the fees charged by your adviser and the fees and expenses incurred within the investments that you select.

Where GST applies, we may be able to claim a Reduced Input Tax Credit (RITC) of up to 75 per cent of the GST paid on some of these fees. Whether we are able to claim a RITC, and the amount of RITC claimed, depends on the nature of the fee, tax law and regulatory guidance. This is subject to change from time to time.

Where RITCs can be claimed, the benefit of RITCs is included in the fees disclosed in this IDPS Guide. In some cases, a change in GST treatment, including the ability to claim a RITC, could result in a cost deducted from your account being different from that disclosed in this IDPS Guide.

General advice

We rely on your adviser to provide you with personal financial product advice. Any general advice we provide in this document is free of charge.

Further worked examples

These examples are provided to assist you in understanding the combined effect of fees and other costs of the platform, and also the fees and costs of some selected Eligible Investments. They do not include examples of fees you may agree with your adviser, and are not representative of the actual fees that you will pay but are shown for the purposes of illustrating:

- that there are fees and costs in addition to those of the platform; and
- how these additional fees and costs are calculated so that you can estimate the total fees and costs which apply to your account and the financial products that you hold.

The actual fees payable on your account may depend upon a number of factors including, but not limited to the investments that you select, your total account balance, the balance of each investment option, the transactions you make, your nominated broker and the fee arrangements that you have agreed with your adviser. Please refer to the disclosure documents of the Eligible Investments for the fees and costs which apply to those investments.

Example 1: \$250,000 account in the Engage Investment Menu option

The following example uses an account invested for 12 months consisting of:

- an average daily balance of \$5,000 in the Wrap Cash Account
- one SMA with an average daily balance of \$195,000 and estimated fees and costs of 0.473% pa
- one term deposit with a balance of \$50,000.

Annual Platform fees and costs

Account keeping fee	Total account	\$20 x 12	\$240
Total		0.10%	\$240

Estimated fees and costs deducted from investment by the issuer of the Eligible Investment

Investment option fees and costs (charged by the issuers of the Eligible Investments)	SMA	\$195,000 x 0.473%	\$922.35
	Term deposit	\$50,000 x 0.00%	\$0
Total		0.12%	\$922.35

Estimated total of combined fees and costs of the Platform and Eligible Investments	\$1,162.35
--	-------------------

Important: The actual fees and costs you pay may differ to this example as:

- This example does not include adviser fees that may apply to your account. You can negotiate with your adviser the fees that will be payable for the advice services to be provided to you.
- Other fees may apply.

See the *Additional explanation of fees and costs* section for more information on the above and other fees and costs which may apply.

Example 2: \$300,000 account in the Elevate Investment Menu option

The following example uses an account invested for 12 months consisting of:

- an average daily balance of \$5,000 in the Wrap Cash Account
- a managed investment with an average daily balance of \$95,000 and estimated fees and costs of 0.29% pa
- purchase of an Australian listed security (purchased through the Authorised Broker), an international listed security and an SMA (estimated fees and costs of 0.69% pa), each with a purchase price and an average daily balance of \$50,000
- one Term Deposit valued at \$50,000.

Annual Platform fees and costs

Administration fees	Total account	$\$300,000 \times 0.30\%$	\$900
	International listed security	$\$25 \times 12$	\$300
Account Keeping Fee	Total account	$\$33 \times 12$	\$396
Sub-custody fee for international listed securities	International listed security	$\$50,000 \times 0.25\%$	\$125
Switching Fee	International listed security	$\$50 \times 1$	\$50
Transaction costs (brokerage)	Australian listed security	$\$50,000 \times 0.12\%$	\$60.00
	International listed security	$\$50,000 \times 0.15\%$	\$75.00
Total annual Platform fees and costs		0.64%	\$1,906.00

Estimated fees and costs deducted from investment by the issuer of the Eligible Investment

Investment option fees and costs (charged by the issuers of the Eligible Investments)	Managed investment	$\$95,000 \times 0.29\%$	\$275.50
	Australian listed security	$\$50,000 \times 0.00\%$	\$0.00
	SMA	$\$50,000 \times 0.69\%$	\$345.00
	International listed security	$\$50,000 \times 0.00\%$	\$0.00
	Term Deposit	$\$50,000 \times 0.00\%$	\$0.00
Total annual estimated fees and costs of the Eligible Investments		0.21%	\$620.50

Estimated total of combined fees and costs of the Platform and Eligible Investments		\$2,526.50	
--	--	-------------------	--

Important: The actual fees and costs you pay may differ to this example as:

- This example does not include adviser fees that may apply to your account. You can negotiate with your adviser the fees that will be payable for the advice services to be provided to you.
- You may purchase Australian listed securities through a different broker. The brokerage amount charged will depend on your nominated broker and the brokerage you agree with them.
- Other fees may apply.

See the *Additional explanation of fees and costs* section for more information on the above and other fees and costs which may apply.

Example 3: Fee aggregation for tiered administration fees¹

The following example shows how fee aggregation is applied. In this example:

- Four accounts are owned by members of the same family, all of which have been grouped for administration fee purposes.
- Account A is an **Investment Consolidator II** utilising the **Elevate** investment menu option with a total daily closing balance to which administration fee aggregation applies of \$300,000.
- Account B is an **Investment Consolidator II** utilising the **Elevate** investment menu option with a total daily closing balance to which administration fee aggregation applies of \$420,000.
- Account C is a **Super Consolidator II** utilising the **Elevate** investment menu option with a total daily closing balance to which administration fee aggregation applies of \$480,000. Any balance held in the Wrap Cash Hub for this account is excluded for fee aggregation purposes.
- Account D is a **Pension Consolidator II** utilising the **Engage** investment menu option with a total daily closing balance of \$150,000 (to which administration fee aggregation will not apply).
- The above balances do not change throughout the year.

Important: This example is provided to demonstrate how fee aggregation applies to tiered administration fees only and does not take into account other fees and costs which may apply to your account such as any account keeping fee. Where applicable, these will be in addition to the tiered administration fees payable. Please see the other worked examples for example calculations including other fees and costs which may apply to your account.

Step 1 - Determine eligible group balance for fee aggregation

	Account A	Account B	Account C
Account A + Account B + Account C	\$300,000.00 +	\$420,000.00 +	\$480,000.00
Total			\$1,200,000.00

Step 2 - Fee calculation (using the eligible group balance of \$1,200,000)

	Total
On the first \$300,000 × 0.30% pa	\$900.00
Over \$300,000 to \$500,000 × 0.20% pa	\$400.00
Over \$500,000 to \$1,000,000 × 0.10% pa	\$500.00
Over \$1,000,000 to \$1,250,000 × 0.05% pa	\$100.00
Above \$1,250,000 × 0.00% pa	\$0.00
Total group tiered administration fee	\$1,900.00

Step 3 - Apportionment

	Account A	Account B	Account C
Eligible account balance in proportion to eligible group balance	\$300,000.00 ÷ \$1,200,000.00	\$420,000.00 ÷ \$1,200,000.00	\$480,000.00 ÷ \$1,200,000.00
Apportionment per account	25%	35%	40%
Apportionment against total group tiered administration fee	25% x \$1,900.00	35% x \$1,900.00	40% x \$1,900.00
Total Tiered Administration fee per account	\$475.00	\$665.00	\$760.00

1. Only Consolidator II accounts utilising the Elevate investment menu option can be grouped for administration fee aggregation purposes. Account D is therefore excluded from the above calculations as it is utilising the Engage investment menu option.

Protecting your account

It is very important that you continually take steps to protect your personal information and investment. Our Security and Fraud statement available online at macquarie.com.au/security-and-fraud provides information on the common types of fraud, and steps you can take to help protect yourself against fraud and unauthorised transactions.

Authorising a Third Party to access your account

Please consider carefully who you appoint with authority on your account, and their level of authority, as we may follow their instructions as if they were from you. It's important that you understand this risk and the level of access you give to any other person.

Macquarie Authenticator

We may require you or your adviser to use Macquarie Authenticator for certain activities on your account, including when giving us instructions. Macquarie Authenticator is a mobile app which provides an extra layer of security that helps protect your account and personal information. The app sends actionable push notifications for you to approve or deny online transactions and account changes, or generates a unique one-time rolling code as an alternative authentication method. You can visit macquarie.com.au/digital-banking/macquarie-authenticator for more information.

Keeping your online details secure

At all times you should keep your account and Macquarie Online login details secure. You should not disclose these details to anyone else.

If you lose or suspect your account or Macquarie Online login details have been compromised or used by a third party, you should call us immediately. Failure to do so may result in a third party having unauthorised access to your account, including your personal details. Unauthorised access could result in a loss of your money due to fraud or other activity that has not been authorised by you.

You and your adviser must take all reasonable steps to protect the security of your respective computer hardware and software and mobile devices that you use to access your account. It is very important that you inform us as soon as security has been compromised by calling **13 31 74**.

Transacting

Switching between Investment Menu options

Your adviser, on your behalf, can switch between the Engage and Elevate Investment Menu options online. Where you cease to have an adviser linked to your account, your ability to switch between Engage and Elevate Investment Menu options may be limited.

Instructions to switch from the Engage Investment Menu option to the Elevate Investment Menu option can be given at any time provided you have an adviser who is registered on your account and can be made irrespective of the investment options you are invested in. However, to switch from the Elevate Investment Menu option to the Engage Investment Menu option, you must only hold investment options that are available on the Engage Investment Menu option. A switch cannot occur if you are holding investments that are not available on the Engage Investment Menu option. Any investments that are not available on the Engage Investment Menu option must be sold before the switch can occur.

When switching from the Engage to the Elevate Investment Menu options, you should also be aware of the different Wrap Cash Account minimum balances that apply.

Switches between the Engage and Elevate Investment Menu options will generally be effective the first day of the month following the receipt of a completed instruction and there being no unsettled transactions or other events such as corporate actions. You must provide switch instructions at least three business days before the end of the month for it to be effected the following month. Fees for the new Investment Menu option will be applicable from the date the switch is effective.

In some circumstances, an Investment Menu option switch may not be able to be processed for a particular month. This may be because your account has a corporate action that has not finalised or an unpaid dividend or distribution. In such circumstances, your account will remain in the existing Investment Menu option until there are no outstanding transactions or events preventing the switch being effected the first day of the following month.

Where you have grouped Consolidator II accounts for fee aggregation purposes and you switch from the Elevate to Engage Investment Menu option, the switch may impact the level of fees you pay in the grouped accounts. See the *Fee aggregation* section for further details.

Your investment instructions

Where you have an adviser linked to your account, your adviser will carry out your investment instructions on your behalf online. You will generally provide investment instructions to your adviser according to the agreement you have with them. If you cannot contact your adviser (or do not have one linked to your account), you must give us instructions directly, provided that you have received the relevant disclosure documents for these investments.

Subject to your adviser arrangement, instructions to transact on your account which are received by us will generally be acted on and effected as soon as practicable. Where you do not have an adviser, we will generally act on your instructions within two business days following receipt of a complete request.

We will not be liable for any delay in acting on those instructions where the delay is caused by circumstances outside of our control or due to us making enquiries about the validity and/or authorisation of instructions on your account, and we have acted properly.

In certain circumstances your assets can be sold or drawn down without obtaining your instructions, with the proceeds paid to your Wrap Cash Account. For example:

- if your managed investment holding has dropped below the minimum requirement,
- it is required to ensure you have the minimum balance in the Wrap Cash Account,
- it is required to pay fees, costs or other expenses, or
- it is otherwise required by law

You are responsible for any associated fees.

In these circumstances, money will be drawn from the following investments, starting with the highest balance, generally in the following order:

- daily transacting managed investments
- SMAs
- Australian listed securities
- Non-daily transacting managed investments
- Term deposits
- Other Eligible Investments

In these situations, you bear the risk of the transaction and the Operator is, to the extent permitted by law, exempted from liability for any loss you sustain.

Transacting

We will act on all instructions from your adviser or directly from you except in limited circumstances, including if:

- we suspect that you or your adviser are in breach of the terms of this Guide
- the authenticity of the instruction is in doubt
- your instructions are unclear
- following the instructions is contrary to the law or relevant policy
- you do not have sufficient available cash in your Wrap Cash Account to carry out the instruction
- either your account and/or your Wrap Cash Account would fall below the minimum balance if the instructions were carried out
- you do not have sufficient investment holdings for us to carry out the instruction
- acting on them would be impracticable or would breach relevant market practice, or
- where your instructions require pre-approval by a margin lender where you have a margin loan attached to your account.

Your Wrap Cash Account

Your Wrap Cash Account will be used to:

- credit all cash investments and transfers
- fund investment purchases
- receive proceeds from investments that are sold
- receive income from investments, and
- pay any fees, taxes and charges related to your account.

You authorise us to debit your Wrap Cash Account with all fees and taxes relating to your account and to pay fees and charges to the person or entity entitled to them (including us and our associates). We can suspend services to you if they remain unpaid.

You authorise us to administer your Wrap Cash Account to facilitate:

- the purchase and sale of investments made through your account, and
- the receipt of proceeds and income from or related to, investments that are held in your account.

Holding sufficient cash and assets

Over the life of your account, you must maintain an overall minimum account balance of \$10,000 (this minimum balance includes your Wrap Cash Account balance).

Before transacting on your account, you must have sufficient available cash in your Wrap Cash Account. If you sell assets within your account, the proceeds cannot be used for another transaction or withdrawal until settlement occurs and the proceeds are cleared in your Wrap Cash Account. If you transact on your account with insufficient available cash, the transaction may be

rejected. Where a transaction is rejected for a listed security, you may be charged a failed trade fee.

If your available cash balance falls below the minimum cash requirement, or you hold insufficient available cash to meet any payments (including fees and costs), we reserve the right to sell or draw down your investment holdings to meet those payments and/or replenish the Wrap Cash Account to the minimum balance.

Any transaction instructions and/or automated plans to buy assets may fail where they will result in your available cash balance falling below the minimum balance requirement.

Please note: where you switch from the Engage to the Elevate Investment Menu and the balance in the Wrap Cash Account is less than \$500 when the switch is processed, this can result in the sell down of investment holdings to replenish the Wrap Cash Account to the minimum balance for the Elevate Investment Menu.

Any transaction instructions and/or automated plans to buy assets may fail where they will result in your available cash balance falling below the minimum balance requirement.

If you close your account at a future date and wish to retain the Wrap Cash Account, you may elect to do so in your account closure instructions to us and the Wrap Cash Account will be converted to a CMA (and the applicable CMA interest rate will apply from this time).

Managed investments and SMAs

Your adviser (on your behalf) should submit instructions online to buy, sell or switch managed investments (including SMAs). Product issuers have different rules relating to when applications and redemptions will be accepted and processed. Details of these rules and turnaround times can be found in the disclosure documents for each managed investment and SMA.

If you cannot contact your adviser (or do not have an adviser linked to your account), you must give us instructions directly, provided that the relevant investment(s) are able to be accessed without an adviser and you have received the relevant disclosure documents for these investments.

Managed investments may also seek unit holder approval for actions. Under some circumstances, we may seek your approval/rejection of the proposal.

When orders are processed

The unit price that you receive for managed investments is determined by the product issuer. Where transaction requests are placed online by your adviser prior to 12.00 noon Sydney time on a Business Day, we will generally send instructions to the product issuer on the same day. Where transaction requests are placed online by your adviser after 12.00 noon Sydney time, these will generally be sent the following Business Day.

Application

An application is the term used to describe the purchase of units in a managed investment when the investment is being funded from your Wrap Cash Account.

Payment for your managed investment purchases will be deducted from your Wrap Cash Account on the day that we apply for units in the managed investments. We will process instructions as quickly as possible, depending on the application process of each product issuer.

Where managed investments have minimum investment requirements, or the product issuer does not calculate a unit price daily, it may take longer to process your instructions.

Redemption

A redemption is the term used to describe the sale of units or other interests in a managed investment. Redemption proceeds are credited to your Wrap Cash Account.

Redemption proceeds from a sale cannot be used to process a withdrawal from your Wrap Cash Account until settlement occurs and the money is cleared in your Wrap Cash Account. Redemptions may also give rise to a CGT event. Please refer to your adviser for further details.

Switching between managed investments

A switch is the term used to describe an order where the redemption proceeds from the sale of managed investment(s) are used to invest in other managed investment(s) (rather than being credited to your Wrap Cash Account). We only administer switches between managed investments that transact daily.

The minimum amount that can be switched between managed investments is \$100. If we receive an instruction to switch (or redeem) an amount that will result in less than \$250 remaining invested in a particular managed investment, we may process that instruction as a full redemption from that managed investment.

Where your adviser places an order for a full redemption from one managed investment with the proceeds being switched into more than one managed investment, we will convert the buy dollar amounts to a percentage of the sale order. Once the sale proceeds are received, reciprocal buy orders are created and sent to market.

Switching between managed investments may also give rise to a CGT event. Please refer to your adviser for further details.

Managed investments that do not transact daily

Some managed investments do not process applications or redemptions on a daily basis. If you instruct us to apply for or redeem a non-daily transacting investment or another illiquid investment, we will process this transaction in accordance with the product issuer's timetable. In some cases, this could be three months or more after we receive your instructions and extended delays may be experienced. Please refer to the relevant disclosure documents or your adviser for further information.

Australian listed securities

Your adviser (on your behalf) may buy and sell Australian listed securities through the wrap platform via the Authorised Broker, if you have selected the Elevate Investment Menu option. We will use the available cash in your Wrap Cash Account to settle any purchases of Australian listed securities. We will withdraw cash to pay for the purchase on the same day, or within one day of being notified by your broker of the trade.

You may be charged a failed trade fee if you do not have sufficient available cash in your Wrap Cash Account to perform a trade and you are not contra trading (refer to the *Contra trading* section). Any proceeds from the sale of eligible Australian listed securities should be available in your account the next Business Day after settlement.

All orders placed through the wrap platform to buy or sell Australian listed securities will be conducted on a 'market-to-limit' basis. Orders can also be placed 'at-limit'. This enables your buy or sell orders to be placed at a specific price. An 'at-limit' buy order will only execute at the limit price or lower, while a sell order will only execute at the limit price or higher. 'Market-to-limit' orders may only be partially filled at the prevailing market price at the time the order is placed.

If you would like your order to be fully executed at 'market-to-limit' in accordance with available price/volumes, your adviser will be responsible for amending your initial order. In the event that the whole, or part, of your order is filled prior to its amendment or cancellation, you will be liable to settle the whole or partially filled order.

A single order may consist of more than one transaction. For example, if an order is partially filled and then amended, each amendment that is filled is a new transaction.

You and your adviser are unable to trade on a conditional or deferred settlement basis.

You can also trade Australian listed securities outside of the wrap platform through a nominated broker from our list of approved brokers, which is available from your adviser or us.

If you wish to nominate a broker, the broker must be nominated on the application form or subsequent notification to us. If you wish to change or nominate a new broker, you should contact your adviser.

Trade confirmations are not provided for Australian listed securities transactions when trading via the wrap platform.

Physical settlement of underlying assets

Conversion or settlement into the physical underlying assets of an investment you hold cannot be administered on the platform. Such investments include, but are not limited to:

- CHESSE Depository Interests
- Exchange Traded Funds
- Exchange Traded Commodities
- Exchange Traded Certificates.

Contra trading

Contra trading describes the sale and purchase of Australian listed securities on the same day. The sale proceeds will be used to cover the costs of the Australian listed securities purchased on the same day. Contra trading is only available offline through an eligible nominated broker. That is, your adviser (on your behalf) is unable to do this through the wrap platform. When there are insufficient funds after offsetting sales and purchases, we will draw the shortfall from your Wrap Cash Account. Contra trading may also give rise to a CGT event. Please refer to your adviser for further details.

Convertible financial products and physical settlement of underlying assets

Some financial products are 'convertible' in that they change into, or are replaced by, a different 'underlying' financial product. Where the underlying assets of an investment you hold cannot be administered on the platform, or we cannot process a request due to operational constraints, the conversion of the investment into the underlying asset will not be allowed or the new asset will need to be transferred out of the account.

International listed securities

All international listed securities trading is conducted through the wrap platform by the International Broker through your adviser. Investors may be required to complete additional forms, as required by the laws of the foreign jurisdiction, to avoid additional taxes being levied on income. Where required, you will be asked to provide these forms before any trades in these securities can proceed.

Clients are only eligible for international listed securities if they are an Australian resident for tax purposes and are not a US Reportable Person. A US Reportable Person is a 'Specified US Person' under the Foreign Account Tax Compliance Act (FATCA) (this includes, but is not limited to, US citizens and US residents for tax purposes) or a holder of a US TIN or US Reportable Account.

Trading of international listed securities are generally conducted on the basis that it is an 'At Limit' order. 'At Market' orders are able to be submitted where the international exchange is able to support them. Where 'At Market' orders are not supported, the order will be converted to an 'At Limit' order opposite best price.

Please note: When buying and selling international listed securities, the expiration date will always be today only. Unfilled or partially filled orders will expire by the end of the foreign exchange trading day.

Partially completed orders

If an 'At Market' order is only partially filled, the remainder of the order will be amended to an 'At Limit' order, with the limit being the market price at which the partial execution was completed. Your adviser must monitor the order to ensure the market price does not move outside of the limit or they must amend their initial 'At Market' order online.

Odd lot orders

An odd lot is an order amount for a security that is outside the normal unit of trading for that security. Some exchanges do not support the trading of odd lots. If an odd lot purchase of units in an international listed security is placed on such an exchange the order will automatically round-off to the nearest normal unit of trading for that security. Through certain corporate actions, additional units of a security can be allotted to an existing security holding leading to an odd lot holding. If a sale order of the odd lot is placed, we will endeavour to work with the broker to conduct the trade, however, there may be additional costs and/or delays to the settlement of the odd lot holding. Where there are additional costs incurred, these will be reflected in the trade price.

Corporate actions

We refer to corporate actions as any event that brings material change to a company and affects its stakeholders such as shareholders. Typically, corporate actions relate to shares and interests in some managed investments. These may affect the capital structure of the security, or the number or type of securities held on your behalf. These types of actions can be mandatory, such as share reconstructions, or voluntary, such as entitlement offers and share purchase plans. In some circumstances such as where an investment becomes delisted or there are off-market offers, a corporate action event may not be made available to you.

We will generally seek instructions from you on your preferred course of action for a corporate action. We may refuse to act on your instructions if to do so would result in the acquisition of an asset not on the Investment Menu or where inconsistent with our other duties under the law (for example, if the governing documents of the service or the general law forbids it).

Where it is available, we will endeavour to provide relevant information to your adviser about corporate actions impacting your account through the corporate actions calendar, viewable by your adviser online. Your adviser must use the corporate actions calendar to check for any corporate action information that may be relevant to your account or require your action.

When a corporate action occurs and we ask you for instructions, we must be given those instructions at least three Business Days prior to the published closing date of the action (the cut-off date), unless we specify otherwise. For the issuance of new securities, we must generally be given instructions eight Business Days prior to the published close date.

The online instruction is final and no changes are able to be made to this instruction. By submitting the online instruction you and your adviser confirm you have read and understood all documents issued in relation to the corporate action.

If a corporate action requires payment, you must ensure your Wrap Cash Account has sufficient funds to complete the transaction. If you do not have sufficient cleared funds available in the Wrap Cash Account at the time your instructions are received by us and retain sufficient cleared funds in your Wrap Cash Account until such time as we process the relevant transaction, the transaction will not be processed and we have no liability to you in relation to the corporate action.

Where notice is received after the applicable cut-off date, or you have insufficient funds available at the time of processing, you may not be able to participate in the corporate action, and we are not liable to you for any potential loss of opportunity arising in those circumstances.

If you do not have an adviser, you are responsible for monitoring upcoming corporate action events. If you would like to participate, you must contact us at least eight Business Days before the published closing date of the action.

Generally, you will not be able to vote at shareholder meetings or participate in bonus share plans (offered on some securities, enabling security holders to elect to receive fully paid bonus shares instead of cash dividends) on investments held in your account.

In certain circumstances, we may take a variety of actions to remove or avoid taking assets which do not fit within the investment options or strategies that we offer. These actions might include not processing a corporate action, disposing of an asset before or after the corporate action and transferring the asset to be held directly by you.

Where a corporate action event results in an entitlement to fractional units or shares in a security, we may realise your entitlement to the fractional units or shares and provide you with proceeds from the sale in an amount that we reasonably determine to be an equitable distribution of the market value of such fractional units or shares at the time of the disposal.

Domestic fixed income securities

Domestic fixed income securities are traded through an approved fixed income broker. Minimum trade amounts vary between institutions but are generally \$500,000.

Term deposits

Term deposits allow you to make an investment for a fixed duration at a fixed rate of return. You can choose from a range of term deposits with a selection of different rates and terms to suit your needs. A minimum deposit of \$10,000 per term deposit applies and you should obtain and consider the applicable term deposit disclosure documents before making an investment decision.

You can apply for a term deposit at any time. Applications close at midnight each Business Day with the investment being made the following Business Day.

This means you will receive the rate and terms applicable on the day that you submit your application.

Interest rates change frequently, you should always check the current rates at the time you invest and again if you are considering rolling over a term deposit. On maturity, the amount invested (your principal) and interest earned will be credited into your Wrap Cash Account.

You may elect to roll over your term deposit (principal or the principal plus interest) for the same term from the same term deposit issuer. Your term deposit maturity election will remain in place until a new maturity election is made.

As term deposit applications are pooled and invested together, there is limited ability to obtain funds before maturity. You may request to break your term deposit but you should be aware that this is subject to the term deposit issuer's approval and that fees, notice periods, and interest reductions may apply.

Other Eligible Investments

As with other investments on the Investment Menu, transactions in other Eligible Investments are made via your adviser. For further information, please consult the current Investment Menu or contact your adviser. You should carefully consider the applicable disclosure documents for the underlying investment before investing.

Disclosure documents

You should read the relevant disclosure documents prior to investing in any of the Eligible Investments. As the disclosure documents for each investment may be updated or replaced from time to time, your adviser should provide you with the most recent disclosure document for each managed investment and/or SMA you are considering prior to acting on your investment instructions.

If you do not have an adviser, you should obtain the relevant disclosure documents (which are available online) and will need to read and confirm you have read these prior to us acting on your investment instructions.

Each disclosure document has been prepared by the relevant product issuer. These documents contain more detailed information about the strategies and objectives, the manager and the administration of the investment option. The most recent versions of these documents are available from your adviser or online.

Material events

If a material event occurs which we believe is an important consideration when making additional contributions to, or switches within, your account and which we have not yet informed you about, we may be unable to comply with your instructions immediately. We will be required to forward you the relevant information and will only switch or invest in the investment option when we believe you have the necessary information.

Automated investment management tools

A number of automated tools are available to assist you and your adviser to manage your account. These tools are available for certain investments only and are established and maintained online, by your adviser. Where you do not have an adviser, you can provide us with the relevant instructions directly. The income reinvestment plans are only available for selected managed investments and listed securities.

When using the automated tools, you may acquire additional holdings in certain investments without having been given current disclosure documents in relation to those investments. Your adviser can provide you with the current disclosure documents, or they can be obtained online.

Investments through these automated tools will continue to be made until cancelled or until the arrangement is terminated for any reason.

Any transaction instructions and/or automated plans to buy assets may fail where they will result in your available cash balance falling below the \$1,000 (Elevate) or \$500 (Engage) minimum balance requirement.

Important: If you do not have an adviser linked to your account, restrictions may apply to automated plans. As automated plans are administered online via an adviser and some investments can only be made where an adviser is linked to an account, if you remove your adviser, we may cease to offer and/or cancel some existing automated plans.

When automated tools are triggered, they may take into account other outstanding transactions you have on your account or underlying investments (such as SMAs). Due to this, some plans may or may not run or only some orders may be triggered depending on what other activity is occurring on your account at the time.

Automatic cash management

To help you manage your Wrap Cash Account balance, you and your adviser can select a minimum and/or maximum target cash balance. This can be either specific dollar amounts or a percentage of your account. If your Wrap Cash Account balance exceeds your specified maximum and your account has been open for more than one month, we will automatically invest the additional balance according to your instructions. If your Wrap Cash Account balance falls below your minimum target, we will redeem some of your investments and top up your Wrap Cash Account balance.

This feature is not available for Australian and international listed securities, term deposits or managed investments that do not price daily.

You can also set an investment limit so that application orders which exceed the maximum investment limit will not be automatically executed. These application orders will be automatically cancelled unless they are authorised by your adviser by the 28th of the month (or, if the 28th is a weekend or public holiday in Sydney, the last Business Day prior).

The automatic cash management process is run on or around the 20th of each month (this date may change without prior notice to you).

Automatic rebalancing

You and your adviser can instruct us to regularly rebalance the managed investments in your account according to benchmarks you have established for particular assets. This means that regardless of each investment's performance, your account will generally be in line with the investment strategy you have agreed with your adviser.

You can choose to rebalance the managed investments within your account either:

- quarterly
- half-yearly, or
- annually.

This feature is not available for Australian and international listed securities, term deposits, SMAs or managed investments that do not price daily.

Automatic rebalancing will occur on or around the 24th of the month (this date may change without prior notice to you). After your first automatic rebalancing transaction, you can instruct your adviser to rebalance your account on demand.

Dollar cost averaging

Dollar cost averaging allows you to make regular investments from your Wrap Cash Account into certain managed investments. Please speak with your adviser as to which investments are available for dollar cost averaging.

You can choose to run dollar cost averaging either monthly or quarterly. You simply decide upon a start and finish date, the amount and into which managed investments you would like to invest. A minimum transaction amount may apply. Dollar cost averaging transactions will occur on or around the 16th of the month (this date may change without prior notice to you).

Under dollar cost averaging you may acquire additional interests in managed investments without having been given a current disclosure document in relation to the relevant investment. These can be obtained through your adviser or are available online.

Investments made through dollar cost averaging will continue to be made until you instruct us otherwise or until the arrangement is terminated for any reason including if you no longer have an adviser linked to your account.

Income from your investments: reinvestment plans

Your income election from listed securities and managed investments generally defaults to cash and will be paid into your Wrap Cash Account. For some investment options, you or your adviser can elect to receive income as either additional units or securities or cash. As disclosure documents are subject to change, you may acquire additional interests without a copy of the latest disclosure document. You can obtain a copy from your adviser or online.

Reinvestment plans for managed investments are administered directly by the service and not through the registry or product issuer. The unit price at which managed investment distributions are reinvested may differ from the price that would apply if you participated directly in the fund manager's distribution reinvestment plan.

Income from your investments will only be credited to your Wrap Cash Account or reinvested once the amounts and any necessary information have been received by us.

Dividend bonus share plans (also known as dividend substitution plans) are not administered in the service. We also do not administer reinvestment plans for international listed securities and non-daily priced managed investments.

Reporting

One of the benefits of Investment Consolidator II is consolidated reporting. A detailed and up-to-date picture of your account is available online, which makes managing your account easier.

Ongoing reporting and information

Statements and reports

Your annual statement, tax report and independent audit and review report will be made available via Macquarie Online after the end of the financial year.

Certain information may be required from third party product issuers to finalise your tax report. Depending on the nature of investments held in your account, it may take some time for this information to be received. We will finalise tax reports as quickly as we can after all necessary information is received.

Online access to your account

You can access your account online using Macquarie Online available at online.macquarie.com.au/personal.

Access to and use of Macquarie Online is subject to the conditions of use in the Electronic Banking Terms and Conditions available at macquarie.com.au/digital-banking/electronic-banking-terms-and-conditions.

Through Macquarie Online you can access a range of account information and reporting to keep you informed about your account, including your:

- portfolio valuation
- transaction history
- annual statement
- tax report

You should check the entries on each online report and statement carefully and promptly notify us of any error or unauthorised transaction. If you have any queries, please refer to your adviser (if you have one) or us.

Electronic notices

Where permitted by law, you agree that we can give you all notices, statements, documents, information and other communications in connection with your account electronically, by:

- emailing them to your nominated email address or sending them through SMS to your last known mobile telephone number
- making them available online at a location notified and readily accessible to you, or
- any other way agreed with you.

Where we make information available online, you agree that we may notify you of this fact and the location by email or SMS. You agree to check your emails and SMS messages regularly.

You agree to notify us as soon as possible with any changes to your contact details including but not limited to your nominated email address and mobile telephone number.

Reports available to your adviser

Where you have an adviser linked to your account, they will have access to your statements, and a comprehensive range of reports and data on your account to enable them to track your investments and other important information regarding your account.

Where your account is grouped with other accounts, your adviser will have access to a range of reports based on the grouped accounts and you agree that some of your account details may be disclosed to the owners of the other accounts in the group.

In addition, you agree that your adviser may also authorise their Associates to access your account details, balance, transaction history and personal information to help in the administration of your account. Please refer to the *Privacy Statement* section for further details regarding the sharing of your information.

Third party access

You can grant your accountant, self-managed super fund administrator or other financial representative secure access to view and download information and reports for your account, normally only visible to you and your adviser.

With direct access to your account, your financial representative will have the information at their fingertips to complete your end of year accounting paperwork.

Reporting on the value of your account

The value of your account is the aggregate net value of your investments, including your Wrap Cash Account, after the deduction of accrued fees, taxes and charges. The information below is a guide on how different investments are valued and what will be reported.

Please note: Accrued fees and taxes are not reflected in your portfolio valuation.

Managed investments

When you invest in managed investments, the number of units allocated to you depends on that product's unit price and the amount you invest. Each managed investment will generally have a different unit price set by the product issuer. The unit price that you receive is determined by the product issuer, and generally reflects the value of the managed investment's assets after deducting the product issuer's fees, expenses and transaction costs.

The value of your managed investments will generally be the number of units held by you multiplied by the redemption unit price set by the product issuer. Further details are available in the disclosure documents for each managed investment.

Please note: Accrued managed investment distributions will not be reported on your account after they have been declared by the product issuer and will only be credited and reported once received by us.

Separately Managed Accounts

Generally, investments included in SMAs include listed securities, units in managed investments and cash. The value of separately managed accounts will be determined by the value of the underlying investments at the relevant time and any applicable processes as they relate to the SMA.

Australian listed securities

Australian listed securities are generally valued at the most recent price available which can either be their last available closing price on the ASX or such other exchanges as are approved from time to time, or, where possible, can be as regular as a 20 minute delay via Macquarie Online while the market is open. If no trades have occurred for a security during the day, the last traded price will be used.

International listed securities

International listed securities are valued at the last available close price on the relevant exchange, converted to Australian dollars using the London 4.00pm close exchange rate. The value of international shares will be shown on statements and online in Australian dollars.

Domestic fixed income securities

Domestic fixed income securities will be valued using the closing bid market price for the day the prices are received.

The Wrap Cash Account and term deposits

The Wrap Cash Account and term deposits are cash deposits that earn interest based on the balance of the deposit. Interest is paid monthly on the Wrap Cash Account and generally on maturity for term deposits.

The value of a term deposit is determined by the amount initially invested and the accrued interest. As the accrued interest is not reported to us by the term deposit issuer, this will not be reported on your account until it is paid by the issuer.

Other Eligible Investments

Information about other Eligible Investments will be included in the reports from us or your adviser. Pricing for other Eligible Investments varies depending on the type of asset and how it is structured or administered through the platform. As these circumstances may vary, please contact your adviser, or us, for further information.

Illiquid investments

Where you hold illiquid investments, we generally value these assets at the last trading price until new pricing information becomes available. If these investments have not traded for an extended period, the eventual value realised for these investments may be substantially different to the value displayed.

We will seek to continue to report on illiquid investments. In accordance with our valuation policies, we may change the method by which we value an illiquid investment and report the most accurate value for the asset.

Changes in methods for valuing assets

At our discretion, we may change the method by which we value an asset. For example, if a method becomes available which more accurately reflects the fair value of the assets, we may select to use this method. If we believe a particular asset is not fairly valued using the standard methods described above, we may report what we believe to be a more accurate value.

How do I withdraw?

Investment Consolidator II offers a range of withdrawal methods. Please refer to the Wrap Cash Account offer document for further details on withdrawals. Transaction limits may apply.

If you have insufficient available cash in your Wrap Cash Account to meet your required withdrawal, you can sell investments with the resulting proceeds being credited to your Wrap Cash Account. The proceeds cannot be used to process a withdrawal until settlement occurs and the money is cleared in your Wrap Cash Account.

Your adviser is not authorised to withdraw money from your account other than to transfer money to an account nominated or as otherwise authorised by you. Your adviser's ability to initiate and authorise withdrawals is set out further in the Wrap Cash Account offer document.

Transferring-out existing assets (in-specie transfer)

You may transfer Australian and international listed securities, domestic fixed income securities and managed investments (excluding SMAs) out of your account. Asset transfer fees may apply.

As managed investments purchased through Investment Consolidator II generally require large minimum investments, it may not be possible to transfer holdings in-specie to a direct holding. However, it may be possible to transfer your holdings in-specie to another administration service.

You are unable to transfer SMAs or term deposits out of your account.

We recommend that you seek professional tax advice that will consider your individual circumstances.

Closing your account

We may ask you or your adviser to take the following steps to close your account:

1. **Ensure your investments are sold, transferred or redeemed** - your account is unable to hold any investments (other than cleared cash in your Wrap Cash Account) before we can process a closure instruction. Any investments you have must be sold, transferred, redeemed, and term deposits matured or broken by you or your adviser. When selling your investments, you and/or your adviser should also take into consideration any purchases that may not have finalised as a result of an automated plan.

2. **Automated plans** - your adviser should cancel any automated plans before a closure instruction is submitted. Where your account is to be closed and we have not received notification regarding your automated plans, we may close those plans on your behalf.
3. **Margin loan accounts** - where your account is linked to a margin loan, we may require the margin loan to be de-linked via a security interest release.

Any outstanding fees will be deducted upon closure of your account and online access to your accounts may be removed following the closure of your account.

Important information

We may not be able to complete your instructions to transfer your assets or close your account if there are any outstanding:

- **dividends and distributions:** if proceeds are received by us after your account has been closed, you may incur fees for us to redirect those amounts to you.
- **corporate actions**
- **unsettled transactions:** we may require transactions to settle on your account before we can process a closure instruction.
- **illiquid investments:** where you hold illiquid investments or investments that cannot be readily converted to cash, including term deposits, and SMAs we may not be able to action your request until the term deposit matures or investments are able to be redeemed.

Standing instructions for funds received after your account is closed

If we receive funds for your account after your account is closed:

- we may make reasonable efforts to forward the funds to you in the manner specified on your final withdrawal or account closure request; and
- we reserve the right to deal with these funds in any manner permitted under applicable law.

Your Wrap Cash Account

If you close your Wrap account, you can generally elect to retain your Wrap Cash Account. You may elect to do so in your account closure instructions to us and the Wrap Cash Account will be converted to a CMA (and the applicable CMA interest rate will apply from this time).

Taxation

Buying and selling investments and receiving income is likely to have taxation consequences.

Please note that we do not give tax advice. Given the complex and changeable nature of Australian and international tax and social security systems, and the fact that different investors have different tax and social security circumstances, we recommend you seek professional tax and social security advice prior to investing.

This summary is based on the Australian tax laws effective as at the date of this Guide. Changes to tax laws, their interpretation or administrative practice could affect tax outcomes for investors. The following section outlines the general kinds of taxes which may apply.

Stamp duty

Stamp duty may be payable when you buy, sell or transfer investments. The duty implications vary between state jurisdictions; however, Australian listed securities are generally exempt. Stamp duty, where payable, will be debited from your Wrap Cash Account at the time of transfer or shortly after. We recommend that you keep sufficient cash in your Wrap Cash Account to ensure duty can be paid and to avoid delays in in-specie transfers. It is your responsibility to keep abreast of any relevant changes that may impact you.

Collecting your Tax File Number (TFN), Australian Business Number (ABN) or exemption

The collection of your TFN is authorised, and its use and disclosure strictly regulated by tax laws and the *Privacy Act*. You do not have to provide your TFN, and declining to do so is not an offence. If you do not quote your TFN (including all TFNs for joint accounts), ABN or provide an exemption reason, tax may be withheld from any applicable income received in respect of your account at the highest marginal tax rate (plus Medicare levy) before it is paid to you.

You may quote your entity's ABN as an alternative to its TFN if you are opening this account for purposes related to that entity's business. An Australian Company Number (ACN) cannot be quoted in lieu of a TFN or ABN. If only an ACN is provided, we will deduct withholding tax at the top marginal rate plus Medicare levy.

For more information about the use of TFNs, please contact the Australian Taxation Office (ATO).

Non-residents

Deductions of Australian withholding tax may be made from any unfranked component of a dividend, interest, relevant Australian capital gains and other Australian sourced income for investors that are non-residents of Australia for taxation purposes subject to the availability of any domestic exemption or tax treaty relief.

Investments that derive income that is taxable outside of Australia

Some investments available through Investment Consolidator II may pay tax in an overseas jurisdiction. Investors who choose to invest in these securities may be required to complete additional forms as required by the laws of the foreign jurisdiction to avoid additional taxes being levied on income derived.

Tax invoices for GST purposes

Valid tax invoices for GST purposes may be requested for certain fees through your adviser.

Capital gains calculations

Where you have purchased or sold an investment holding on different dates, you are deemed to have purchased or sold this asset in 'parcels'. There are three methods available to calculate capital gains or losses on these 'parcels'.

These methods are:

- **First In First Out (FIFO):** under this method, the first parcel purchased will be deemed to be the first parcel sold. This is the default which will apply should neither of the following two methods be chosen, on your behalf, by your adviser.
- **Minimum gain/Maximum loss:** under this method, the open parcel that will generate the lowest capital gain or maximum capital loss will be deemed to be the parcel sold.
- **Specific parcel selection:** under this method, your adviser has the ability to select, on your behalf, specific parcels relating to investments that have been sold during the current financial year in order to calculate your CGT position. There are certain circumstances in which parcel selection will not be available.

Foreign Account Tax Compliance Act (FATCA) and Common Reporting Standard (CRS)

Foreign Account Tax Compliance Act (FATCA)

FATCA is a United States (US) tax legislation that assists the US Internal Revenue Service (IRS) to identify and collect tax from US residents for tax purposes that invest in certain financial accounts through non-US entities.

If you are a US resident for tax purposes, you should note that MIML is a 'Foreign Financial Institution' under FATCA. MIML complies with its FATCA obligations, and must obtain and disclose information about certain investors to the ATO or IRS. In order for MIML to comply with its obligations we request that you provide certain information about yourself, including your US Taxpayer Identification Number (TIN) if applicable.

Common Reporting Standard (CRS)

The Common Reporting Standard (CRS) is a single global standard for the collection, reporting and exchange of financial account information on foreign tax residents.

MIML is required to collect certain information about foreign residents to provide it to the ATO. This information is provided to tax authorities in other jurisdictions who have adopted the CRS. In order for MIML to comply with its obligations, we request that you provide certain information about yourself, including your country of residence.

Are your fees and charges tax deductible?

The administration fees you pay for your Investment Consolidator II account, and ongoing fees paid to your adviser or adviser firm, may be tax deductible in the financial year in which they are incurred. For specific information on what is and is not tax deductible, please contact your professional tax adviser.

Other information

Operating your account

Outlined in this section are a number of operational details applicable to your account.

Changing details

If any of your details change, including your personal details, you are able to update these by notifying us. You and/or your adviser can also update some of your personal details online. As your mobile phone number is used for identification verification purposes, this cannot be updated online.

Instructions

You may be required to give us instructions electronically or in another manner that Macquarie reasonably determines from time to time. We do not accept all instructions and we may reasonably delay, or require further information, before acting on an instruction where it is appropriate to do so (for example, requesting supporting evidence to verify its authenticity). For details of what is accepted, please refer to our Help Centre macquarie.com.au/help.

No cooling-off period

BSCL or its delegate, the registered owner of accessible investments, is a wholesale investor and therefore generally not entitled to any cooling-off rights when investing in units of managed investments.

These rights are usually available to direct retail investors under s1019B of the Corporations Act. These rights generally allow you to return your investment within a period of 14 days of acquiring the investment and receive a refund. As you are an indirect investor, you are not entitled to any cooling-off rights.

Standing instructions in relation to class actions

You will generally be able to participate in class actions for Australian listed securities and managed investments only. If however, for any particular class action you do not wish to participate, you must opt out by contacting your adviser and we must receive those instructions at least three Business Days prior to the published closing date of the action.

If your account was closed prior to the announcement of a class action that relates to assets you held in your account, you will not be eligible to participate.

Illiquid Investments

We will seek to continue to report on illiquid investments. In accordance with our valuation policies, we may change the method by which we value an illiquid investment and report the most accurate value for the asset.

The ability to transact on illiquid investments will often be restricted due to forces beyond our control.

Investment decisions

All investment decisions are taken to have been made in Australia. If you are going to be overseas for any period of time, you must make arrangements to appoint an attorney in Australia to work with your adviser and make investment decisions on your behalf. If it comes to our attention that you have not appointed an attorney, we reserve the right to suspend all transactions on your account.

Joint accounts

If you open an account with more than one account holder, you are liable jointly and severally for fees and costs on the account. All joint account holders must accept the application form to set up the account.

If an account is held in joint names and one account holder dies, the credit balance in the account will be treated as owing to the surviving account holder/s (joint tenancy).

Multiple signatories

Where you are joint account holders or would like multiple individuals to operate your account, you can update the operating instructions over your account to give individuals either of the following:

- anyone to sign (sole authority); or
- any two to sign (dual authority).

Changes to your account operating instructions can only be made in accordance with the existing operating instructions on your account.

If there is a dispute about the signing authority, we reserve the right to permit operation on the account only when all account holders (or authorised signatories) have authorised the instruction.

Certain instructions may require authorisation from all account holders (or authorised signatories), for example, advice fee consent deductions.

Deceased estates

Where you own your account as an individual, in the event we are notified of your death:

- existing advice fees will cease (this excludes accounts that are held in joint names, company or trust) unless we are provided with information clearly demonstrating that services are being provided in accordance with instructions from the legal personal representative
- we will continue to deduct applicable administration fees until the account is closed by your legal personal representative or any other person who we recognise as having a claim to your account, eg an executor or administrator appointed to manage your estate, and
- your investments will continue to be invested in accordance with the most recently selected investment strategy, including transactions that may be triggered by automated plans, until we receive other instructions from a properly authorised person.

When an account is held in joint names and one account holder dies, the credit balance in the account will be treated as owing to the surviving account holder.

Working with Macquarie Bank Limited

When we invest, we may deal with MBL or its associated companies. These companies may receive benefits and may also be dealing as principal or dealing on behalf of other accounts which are under the group management of the Macquarie Group. Where we invest money of the service we will deal with the other party to the investment transaction at arm's length terms.

Fees paid to other parties

We have appointed BSCL to hold the service's assets. We may pay BSCL a fee. This fee is not an additional fee to you, it is paid out of the administration fee.

Rounding

We use a number of systems which each apply unique rounding rules to various calculations made within Investment Consolidator II, including calculations relating to fees and costs. When calculating amounts which involve fractions or are numbers other than whole numbers, we may round numbers up or down depending on the particular rules in place for that calculation. For example, some investments may trade in less than whole cents or partial units and some system calculations such as those relating to fees, GST and interest may be required to be rounded to arrive at an amount that we report online and/or that is added to or deducted from your account.

Privacy Statement

We may collect, hold, use and disclose personal information about you to process your application, administer and manage the products and services sought by and provided to you, monitor, audit and evaluate those products and services, model and test data, communicate with you and deal with any complaints or enquiries.

We collect and record personal information through our interactions with you and your nominated adviser(s), including by telephone, email or online. We may also collect personal information from public sources and third parties including information brokers, Government departments or agencies and our service providers. Without this information, we may not be able to process your application or provide you with an appropriate level of service.

We are required or authorised to collect your personal information under various laws including *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* (Cth), *Superannuation Industry (Supervision) Act 1993* (Cth), *Taxation Administration Act 1953* (Cth), *Income Tax Assessment Act 1936* (Cth), *Income Tax Assessment Act 1997* (Cth), *Corporations Act 2001* (Cth), *Life Insurance Act 1995* (Cth), *Insurance Contracts Act 1984* (Cth) and *Foreign Account Tax Compliance Act* (US), Common Reporting Standard and any similar law of any country, and any related laws designed to implement those laws in Australia.

Where you provide us with personal information about someone else, you must first ensure that you have obtained their consent to provide their personal information to us based on this Privacy Statement.

Under the *Privacy Act 1988* (Cth), you may request access to your personal information that we hold. You can contact us to make such a request or for any other reason relating to the privacy of your personal information by emailing privacy@macquarie.com. Please mark communications to the attention of our Privacy Officer.

You may also request a copy of our Privacy Policy, which contains further details about our handling of personal information, including how you may access or update your personal information and how we deal with your concerns. The Privacy Policy can also be found via macquarie.com.au/privacy-and-cookies.

Disclosure of your information

We may exchange your personal information with other companies in the Macquarie Group as well as service providers, which are described further in our Privacy Policy.

We may at your or your adviser's request:

- provide your adviser and their Associates with access to your account details, balance, transaction history and personal information (data), and
- share an electronic copy of your data with third party service providers used by you or your adviser in support of their operations including accountants, consultants, technology platform owner/operators or others (Third Parties).

Some of these people may be situated outside of Australia. It's important that you understand we have no direct control over, or responsibility for, how your adviser, their Associates or Third Parties will use, disclose or protect your data. If you have questions about this, we recommend that you speak with your adviser.

We may suspend or terminate access to or sharing of your data we directly provide to a person for any reasonable cause without notice. Your historical data may continue to be accessed by your adviser and their Associates. If you'd like us to stop any direct access to data we provide to your adviser or their Associates, or stop sharing your data with any Third Parties who we share it with directly, please contact us.

We may also disclose personal information to regulatory authorities (eg tax authorities in Australia and overseas such as the ATO (Australia)) in connection with their lawful information requests or to meet our legal obligations in any relevant jurisdiction. The third parties with whom we exchange personal information may operate outside of Australia (this includes locations in the Philippines, India and the United States of America) and the countries specified in our Privacy Policy. Where this occurs, we take steps to protect your information against misuse or loss.

Marketing

We and other companies in the Macquarie Group may use your personal information to contact you on an ongoing basis by telephone, electronic messages (like email), online and other means to offer you products or services that may be of interest to you, including offers of banking, financial, advisory, investment, insurance and funds management services, unless you change your marketing preferences by visiting macquarie.com.au/optout-bfs.

Terms and conditions

Macquarie Investment Consolidator II (Investment Consolidator II) is an Investor Directed Portfolio Service (IDPS) offered by Macquarie Investment Management Limited ABN 66 002 867 003 AFSL 237492.

Investment Consolidator II is provided to you on these terms and conditions, the provisions of the Custody Deed and the information set out in the IDPS Guide (the Guide) which describe the service and its operation. Collectively these provisions form the terms and conditions of our Agreement with you (the Agreement).

1. This Agreement

- Investment Consolidator II is only made available to persons who are accepted by us as clients of Investment Consolidator II. We will only consider applications from persons who satisfy the criteria for opening an Investment Consolidator II account, as described in the Guide.
- To be a client and use Investment Consolidator II you must:
 - open a Macquarie Wrap Cash Account (Wrap Cash Account) as the central cash flow account
 - have an Adviser who is providing you with personal advice to open your account including a written recommendation from them in relation to investing through your Investment Consolidator II account and in the investments which you have selected to hold through Investment Consolidator II (unless you are an existing Macquarie Wrap investment account holder, and you do not have an adviser linked to your existing account(s))
 - have a personal mobile telephone and provide us with your personal mobile telephone number which we may use to contact you about your account, and
 - have online access and nominate your personal email address to which we may send you notices about your account.
- By applying for Investment Consolidator II, you agree to comply with the terms of this Agreement. You will be notified that you have been accepted as a client and an account will be opened for you as provided for in this Guide. You acknowledge that there may be legitimate circumstances where we are unable to offer Investment Consolidator II to you. Where this is the case we will notify you accordingly. We will always act reasonably and in good faith when making such determinations.

- You warrant that if you are entering into this Agreement as a trustee of a trust, then:
 - the trust is valid and enforceable and you are the validly appointed trustee
 - you have the power under the trust to enter into and perform the obligations under this Agreement
 - you also enter into this Agreement in your personal capacity, and
 - our rights under this Agreement have priority over the interest of beneficiaries of the trust.
- You agree that, in accordance with the Custody Deed, we may appoint a person to act as our agent or delegate as a custodian to hold your assets.

2. Responsibility and liability

We are responsible to you for the provision of Investment Consolidator II services and will, at all times, exercise our duties under this Agreement honestly and with reasonable care and diligence. We are not liable to you for anything that is not our fault or is beyond our control.

- You are responsible for:
 - keeping your Codes confidential, your devices secure and complying with the Security Guidelines set out in the Electronic Banking Terms and Conditions, and
 - the payment of fees and costs for the maintenance of your account and your transactions made through Investment Consolidator II.
- You acknowledge that where the value of your assets held through Investment Consolidator II is not sufficient to satisfy your liability to us, you will pay promptly all fees and charges in relation to your account. Your liability to us is not limited to the value of your account.

3. Your Adviser, their Associates and Third Parties

3. The arrangements between you and your Adviser (including their Associates) and you and any Third Parties are separate from your arrangements with us under this Agreement.
4. The responsibilities of your Adviser and their Associates in relation to your use of Investment Consolidator II are set out in this Guide. For the responsibilities of any other Third Party you should carefully consider the agreements you and/or your Adviser have with them.

4. Electronic notices and information

1. You agree that we may give you all notices, information and other communications in connection with your account electronically, by:
 - a. emailing them to your nominated email address or sending them through SMS to your last known mobile telephone number
 - b. making them available online at a location notified and readily accessible to you, or
 - c. any other way agreed with you.
2. Where we make information available online, you agree that we may notify you of this fact and the location by email or SMS or any other way agreed with you. You agree to check your emails and SMS messages regularly.
3. You agree to ensure your contact details are kept up to date and that you will notify us as soon as possible, in one or more of the ways set out in the Guide, with any changes to your contact details including but not limited to your nominated email address and mobile telephone number.
4. You agree to obtain information concerning your transactions and holdings through Investment Consolidator II electronically through Macquarie Online in lieu of receiving a quarterly report and any other reports, statements or information as permitted by law.

5. Online services

We agree to allow access to and use of Macquarie Online on the conditions of use in the Electronic Banking Terms and Conditions available on our website at [macquarie.com.au/digital-banking/electronic-banking-terms-and-conditions](https://www.macquarie.com.au/digital-banking/electronic-banking-terms-and-conditions)

6. Third Party online access authority

Where you or your adviser appoint a Third Party to access and use Macquarie Online on your behalf:

1. You authorise the Third Party to view the information of your account on Macquarie Online, and if you indicate in the relevant appointment, deduct fees, transact and otherwise operate your account on your behalf.
2. You will notify us promptly if:
 - a. you suspect the Third Party is using the access without your authorisation, or
 - b. you believe the Third Party is breaching any of these conditions of use or the terms of their appointment.
3. You acknowledge that unless otherwise specified, the Third Party is appointed by you and is not our agent, and that accordingly, where we have acted properly, without negligence or fraud, you:
 - a. accept responsibility and agree to reimburse us for any expense, loss or liability (howsoever characterised) incurred as a result of the Third Party misusing Macquarie Online, and
 - b. release us from claims and liabilities in connection with any misuse of Macquarie Online by a Third Party.
4. Where you give authority to a Third Party, you must specify whether or not the appointment is in respect of an individual, a group of individuals, or the business as a whole. Subject to clause 9 (*Your instructions*) we will act on instructions provided the proper Codes have been used.
5. The authority of a Third Party takes effect on the date that we amend our records to note the appointment and continues until you cancel it by notifying us. Cancellation also takes effect on the date that we amend our records to note the change.

7. Foreign tax residency information - (FATCA) and Common Reporting Standard (CRS)

1. You must not knowingly do anything to put us in breach of:
 - sections 1471 to 1474 of the *US Internal Revenue Code of 1986* (commonly known as FATCA), any associated regulations or official guidance, any agreement with the US Internal Revenue Service relating to FATCA, any Australian laws, regulations or official guidance relating to an intergovernmental agreement between the United States and Australia in connection with FATCA (FATCA Laws) or our internal policies and procedures, or

- our obligations in relation to the Common Reporting Standard under the *Taxation Administration Act 1953* (Cth) (commonly known as CRS), any associated regulations or official guidance, the OECD Multilateral Competent Authority Agreement on Automatic Exchange of Account Information or any Australian laws, regulations or official guidance in connection with CRS (CRS Laws) or our internal policies and procedures.
2. If requested, you must provide all reasonable information and assistance and comply with all reasonable requests to facilitate our compliance with our obligations under the FATCA Laws, CRS Laws or our internal policies and procedures.
 3. You acknowledge that we are subject to the FATCA Laws, CRS Laws and our internal policies and procedures. In making an application, you consent to us disclosing to relevant regulatory bodies in connection with the FATCA Laws, CRS Laws or our internal policies and procedures any of your Personal Information (as defined in the Privacy Act).
 4. We retain the right to withhold our products and services from you where we consider, acting reasonably, you have not provided the requisite information or assistance necessary to comply with FATCA Laws, CRS Laws or our internal policies and procedures.

8. Direct Debit Request Service Agreement

The direct debit service is an optional service which allows you to set up regular investments into your account from accounts operated by certain other approved financial institutions which permit the processing of direct debits. Your use of the direct debit service is subject to the following terms and conditions:

1. The account held by your nominated financial institution must be in the same name or names as your account.
2. Where the due date for a debit does not fall on a Business Day, your nominated financial institution may vary the timing of the direct debit. If you are uncertain as to when a debit will be processed, you should ask your financial institution.
3. You must allow two Business Days for funds invested via the direct debit service to be cleared.
4. Third parties authorised to transact on your account cannot set up a direct debit on your behalf, but are allowed to reduce or cancel the existing regular direct debit on your behalf.
5. You must notify us promptly if you know or suspect any unauthorised transactions have occurred in relation to your direct debits. You should also notify your other financial institution as soon as possible.
6. You must notify us promptly, if you believe that there has been an error in debiting your account. If we conclude as a result of our investigations that your account has been incorrectly debited, we will respond to your query by adjusting your account accordingly. We will also notify you of the amount by which your account has been adjusted. If we conclude as a result of our investigations that your account has been correctly debited we will respond to your query by providing reasons and evidence of this finding.
7. You must ensure that there are sufficient cleared funds in your nominated account(s) to honour the direct debit request.
8. You must ensure that the authorisation given to debit your nominated account is identical to the account signing instructions held by the financial institution where your nominated account is held.
9. Your nominated financial institution(s) may decide the order of priority of payment by it of any monies.
10. Your nominated financial institution(s) may at any time terminate this request by notifying you or us.
11. We may, acting reasonably and by giving 14 Business Days prior notice in writing to you, vary the timing of future debits, or any of the terms of this clause.
12. You can modify or defer your use of the direct debit service at any time by contacting us. Your request will normally be processed within seven days.
13. You can stop a particular debit or cancel your direct debit at any time by contacting us with seven days notice. You can also contact your nominated financial institution.
14. When your account (including your Wrap Cash Account) is closed, all regular deposits under the direct debit service will cease.
15. Your use of the direct debit service may be automatically cancelled if three consecutive direct debit payments are dishonoured due to insufficient funds in your nominated account. If this occurs, we will notify you that your use of the service has been cancelled. We will also charge to your account the cost of any dishonour costs.
16. You acknowledge that we may be required to reveal details of your direct debit request to our service providers to assist with the checking of any incorrect or wrongful debits to your nominated account. In all other circumstances, we will keep all information relating to your direct debit arrangements private and confidential unless otherwise required by law.
17. You authorise the external financial institution(s) nominated on the *Direct debit* form to confirm the BSB, account number and account name to us if required.

18. Direct debit requests through the Bulk Electronic Clearing System (BECS) are not available on all accounts. You should check your account details against a recent statement. If you are uncertain about these matters, you should contact your nominated financial institution.
19. The provider of your nominated bank account may charge you fees if your direct debit request dishonours.

9. Your instructions

1. This Guide and the Custody Deed describe the process and requirements for acting on your instructions. Instructions from you or any Third Party will be acted on except in limited circumstances, including if:
 - a. we suspect that you or your Third Party appointee are in breach of the terms of this Agreement
 - b. the authenticity of the instruction is in doubt
 - c. your instructions are unclear
 - d. following the instructions is contrary to our Agreement with you or the law
 - e. you do not have a sufficient cleared cash balance in your Wrap Cash Account to carry out the instruction
 - f. your account would fall below the minimum balance if the instructions were carried out
 - g. you do not have sufficient balance in managed investments, Australian or international securities or other investments for us to carry out the instruction, or
 - h. acting on them would be impracticable or would breach relevant market practice.
2. Notwithstanding any other provision in this Agreement:
 - a. where an investment held on your behalf is subsequently excluded from the Investment Menu, you authorise us to realise the investment and deposit the proceeds into your Wrap Cash Account, unless we cannot do so, in which case we may transfer the assets, and
 - b. where we offset instructions from some clients to buy investments against instructions to sell investments (netting-off), you authorise us to keep any savings in transaction costs that result from netting-off, and
 - c. where we hold or receive an investment which relates to, or is to be divided between, you and one or more investors and we reasonably believe that the investment is not divisible, you authorise us to hold your interest in the investment as tenants in common with other investors, in such shares or proportions as are reflected in our records.

3. You may be required to give us instructions electronically or in another manner that we reasonably determine as being appropriate from time to time. Subject to the other provisions in this clause 9 (*Your instructions*) we may accept account instructions, including withdrawal requests, sent in the form of an email attachment featuring or appearing to feature your proper signatures or those of your Third Parties.
 - a. By providing instructions in this way you acknowledge there is an increased risk of fraud and that you release us from, and agree to reimburse us for any losses and liabilities arising from any payment or action we (acting reasonably) make provided we have acted without fraud and negligence.
 - b. You also agree that neither you nor anyone claiming through you has any claim against the Macquarie Group of companies in relation to these payments or actions.
4. You give us instructions through your nominated Adviser. Your Adviser should ask you to complete a transaction authorisation and will then electronically instruct us to carry out your authorised investment instructions. In carrying out this activity your Adviser will be acting as your agent.
5. You acknowledge that we are entitled to rely on, and you will, subject to law, be liable for, any instructions which are received, which appear to have been duly authorised by you. You authorise us to accept any instruction that has not been cancelled by you and notified to us prior to us acting on that instruction. We do not accept all instructions and we may reasonably delay acting on, or may ask you for further information before acting on an instruction where it is appropriate to do so.

10. Termination

1. We may, acting reasonably, close your Investment Consolidator II account at any time. Examples of where this may occur include the following:
 - a. you provide us with information that does not belong to you such as an email or mobile phone number,
 - b. If you have no investments and you have not operated on your account for 6 months,
 - c. we are unable to deduct any applicable fees, charges or taxes that are owed by you on your account due to insufficient available funds in your Wrap Cash Account or you otherwise have outstanding liabilities on your Investment Consolidator II account,
 - d. you have entered into liquidation or you have been deregistered,
 - e. the relationship between you and your adviser has terminated and you do not appoint a new adviser within a reasonable amount of time,

- f. If we have opened your account and no investments are made within three months,
 - g. you have acted in a way that could damage the business operations or reputation of the Macquarie Group, or
 - h. If we reasonably believe that it is necessary for our business purposes.
2. We will give you reasonable prior notice of the closure of your Investment Consolidator II account, however this may not be possible in all the circumstances, for example, where we determine an immediate closure is reasonably required to comply with the law or protect our legitimate interests in which case we will provide you with subsequent notice.
 3. In exercising our closure rights under this clause 10, we reserve the right to:
 - a. sell down your investment holdings and pay the proceeds into your Wrap Cash Account. and/or
 - b. convert your Wrap Cash Account to a CMA (and the applicable CMA interest rate will apply from this time).

11. Applicable law

This Agreement is subject to the laws of New South Wales and you and we agree to submit to the jurisdiction of the courts of New South Wales.

12. Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML/CTF Act)

By opening this account:

1. You must not knowingly do anything to put us in breach of the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006*, rules and other subordinate instruments (AML/CTF Laws) and/or our internal policies and procedures. You will notify us if you are aware of anything that would put us in breach of AML/CTF Laws.
2. If requested, you must provide additional information and assistance and comply with all reasonable requests to facilitate our compliance with AML/CTF Laws, an equivalent law in an overseas jurisdiction and/or our internal policies and procedures.
3. You undertake that you are not aware and have no reason to suspect that:
 - a. any money used to fund the investment is derived from or related to money laundering, terrorism financing or similar activities (Illegal Activities), or
 - b. the proceeds of investment made in connection with this product will fund Illegal Activities.
4. You acknowledge that we are subject to AML/CTF Laws and/or its internal policies and procedures. In making an application, you consent to us disclosing in connection with AML/CTF Laws and/or our internal policies and procedures any of your Personal Information (as defined in the *Privacy Act 1988* (Cth)) we have.
5. You acknowledge that in certain circumstances we may be obliged to freeze or block an account where it is used in connection with Illegal Activities or suspected Illegal Activities. Freezing or blocking can arise as a result of the account monitoring that is required by AML/CTF Laws and/or its internal policies and procedures. If we freeze or block your account because we believe on a reasonable basis that we are required to do so in order to comply with AML/CTF Laws and/or our internal policies and procedures, we are not liable to you for any consequences or losses.
6. You acknowledge that we retain the right not to provide services/issue products to any applicant and to cease providing the product to any client that we decide, in our sole discretion, that we do not wish to supply.

Frequently asked questions

Questions	Answer
When will I receive confirmation of my account being opened?	We will open your account once we have received all of the completed documentation. You will receive a welcome communication and a Macquarie ID for Macquarie Online after your account has been opened.
What happens if I change my adviser?	<p>Your Investment Consolidator II account has been designed for investors who have advisers to assist them with personal advice in respect of their investments. You may change advisers at any time by giving us notice of the change, provided the new adviser is already registered with us. If your adviser is not registered with us, we will seek to assist them in becoming registered.</p> <p>If you do not have an adviser you should consider the following:</p> <ul style="list-style-type: none">• You will not be able to transact on your account online. In this circumstance, we will accept instructions from you to place transactions on your account. If you choose to continue to operate your account without an adviser, you may be adversely affected, including delays in processing your instruction as opposed to an adviser placing your transactions online. This may have a material effect on your investment particularly during market fluctuations and higher than usual processing volumes.• The number and type of Eligible Investments may change and/or become more limited, even where you already hold these investments. The Unadvised Investment Menu is available at macquarie.com.au/managing-your-wrap.• The applicable administration fees and costs will continue to be deducted from your account until such time as you close your account. <p>Please refer to our policy for clients without registered advisers for more information. It is available upon request free of charge.</p>
How do I change the fees I authorise to be deducted from my account?	<p>Your adviser can complete our digital fee form online which will be sent to you to check and confirm that it reflects the agreement with your adviser. This form will include the updated advice fees to be deducted from your account and the relevant consent forms that are required by law.</p> <p>To stop paying advice fees from your account, you may call or write to us to let us know you no longer wish to pay these fees from your account.</p>
How does the Australian Government's guarantee on bank deposits apply to my account?	Please contact us or your adviser if you would like information on how the Federal Government's Financial Claims Scheme may apply to other deposits within the service.
Does the service deal or transact with related parties?	Yes. In providing the service, Macquarie Group entities are involved in providing some Investment Menu options, transaction and custodial services. How we manage these relationships is set out in the <i>Related party arrangements</i> section in this Guide.

Financial Services Guide

Macquarie Investment Management Limited

AFSL: 237492

About this document

This Financial Services Guide (FSG) is an important document in which we, Macquarie Investment Management Limited ABN 66 002 867 003, AFSL 237492 (referred to throughout this FSG as MIML, we, us, our) outline:

- who we are and how we can be contacted
- what services and types of products we are authorised to provide to you
- how we (and any other relevant parties) are remunerated
- potential conflicts of interest
- how complaints are dealt with.

This FSG should assist you in deciding whether to use any of our products or services. If you choose to use any of our products and services you may also receive other documents, such as a disclosure document or Product Disclosure Statement (PDS) about those products or services, which you should read carefully.

A PDS is a document (or group of documents) that describes a financial product. A PDS (or other disclosure document) contains important information to assist you to make a decision about the product it describes. You should receive and review the PDS (or other disclosure document) produced by us before you make an investment decision about our products and services.

Information about Macquarie Investment Management Limited

MIML is part of the Macquarie Group of companies and is associated with other Macquarie entities that issue financial products.

Members of the Macquarie Group (including MIML) or their associates, officers or employees (Macquarie Members) may have interests in particular financial products by acting in various roles including as investment banker, underwriter or dealer, holder of principal positions, broker, lender or adviser in respect of that financial product.

In addition, Macquarie Members may buy or sell the financial products as principal or agent and may receive fees, brokerage or other remuneration for acting in the various capacities set out above.

MIML is the operator of the Macquarie Wrap Investor Directed Portfolio Service and Trustee for Macquarie Superannuation Plan RSE R1004496.

The Macquarie Members that MIML is associated with include:

- Macquarie Equities Limited ABN 41 002 574 923 (MEL)
- Macquarie Bank Limited ABN 46 008 583 542 (MBL)
- Macquarie Investment Services Limited ABN 73 071 745 401 (MISL)
- Macquarie Financial Products Management Limited ABN 38 095 135 694 (MFPML)
- Macquarie Securities (Australia) Limited ABN 58 002 832 126 (MSAL)
- Bond Street Custodians Ltd ABN 57 008 607 065 AFSL 237489 (BSCL)
- Macquarie Investment Management Australia Limited ABN 55 092 552 611 (MIMAL)
- Macquarie Investment Management Global Limited ABN 90 086 159 060 (MIMGL).

Our financial products and services

MIML is authorised under its AFSL to offer a range of financial products and services. The types of services which we provide (or are likely to provide) and the products to which those services relate include:

- dealing in a broad range of financial products, including:
 - deposit and payment products
 - derivatives
 - foreign exchange contracts
 - debentures, stocks or bonds issued or proposed to be issued by a government
 - life products (including investment life insurance products and life risk insurance products)
 - interests in managed investment schemes, including investor directed portfolio services (IDPS)
 - securities
 - superannuation
- operating an investor directed portfolio service
- providing a superannuation trustee service.

How to contact us

You can contact us by:

1. speaking to your nominated representative (for example, your adviser)
2. calling us on 1800 025 063
3. chatting with us online. If you're an adviser, please contact us via live chat in Adviser Online. If you're a client, please contact us via live chat in Macquarie Online

How we are paid

We may charge fees for services and products we provide. These fees may be charged in various ways, including:

- asset based fees
- administration fees
- brokerage on trades
- subscription or service fees
- management fees
- other benefits that are paid with your consent.

If you invest in a product we provide or we deal in a financial product for you, where permitted by law, MIML will receive remuneration in relation to your investment in that product, which may be based on the value of your holdings. This remuneration may include upfront fees, administration and management fees and costs (which includes transaction and ongoing costs where applicable), and brokerage. In some situations, account fees and transaction fees may apply.

The remuneration we receive for the products we offer will be set out in the PDS (or other disclosure documents) for that particular product. Some product issuers may pay us remuneration for the services that we provide where this is permitted by law. We may also receive rebates or other amounts from fund managers or product issuers where permitted by law. Where we receive rebate payments, they are passed on in full where you had a holding in a product that has paid us a rebate, and your account remains active at the time we make the payment. The amount we pass on to you will be pro-rated, taking into account the value of your investment in, and time you held, the relevant product. Any financial product advice provided by us will be general advice only and is free of charge.

When we provide you with financial services in relation to products offered by another member of Macquarie Group and you acquire that product, then that member may receive remuneration. We may also receive remuneration or other benefits where permitted by law.

If you would like further information regarding the remuneration we receive, you can request this by contacting us.

Remuneration or other benefits received by Macquarie staff

Our employees and directors receive salaries and other remuneration and benefits from us where permitted by law.

How we pay people who refer business to us

If, subject to law, we pay a fee or give a benefit in relation to a referral, we will make a separate disclosure to you.

How we pay people who offer our products and services

You may receive advice in relation to the products and services we offer from advisers who are not part of the Macquarie Group.

With your authority, we may pay your adviser the advice fees which you have agreed with them from your account. Where there is an ongoing advice fee paid, your adviser may be required to issue you with an annual Fee Disclosure Statement, which will show, amongst other things:

- the advice fees paid
- the services your adviser provided, and
- the services that you were entitled to receive.

As required by law, your adviser must obtain your consent to deduct ongoing advice fees from the investment and superannuation products you hold with us on a periodic basis. Your adviser must also obtain your consent to deduct any one-off advice fees or monthly advice fees payable for a period of less than 12 months from the superannuation products you hold with us.

Your adviser is also required to tell you about remuneration they receive from us in any Statement of Advice (SoA) they give to you when providing personal advice.

Your privacy

At Macquarie, the privacy of your personal information is important to us. Any personal information we collect will be handled in accordance with our Privacy Policy. Our Privacy Policy details how we comply with the requirements of the *Privacy Act 1988* (Cth) in the handling of your personal information. The Privacy Policy can be found via [macquarie.com.au/privacy-and-cookies](https://www.macquarie.com.au/privacy-and-cookies).

If you would like a copy of the information we hold, please do not hesitate to contact us.

Compensation arrangements

Macquarie Group Limited, on behalf of MIML holds a professional indemnity insurance policy which satisfies the regulatory requirements for compensation arrangements under section 912B of the *Corporations Act 2001* (Cth). Subject to the terms and conditions, the arrangements provide cover for civil liability resulting from third party claims concerning the professional services provided by MIML and its employees and representatives.

This insurance arrangement continues to provide coverage for past employees and representatives in respect of professional services performed while engaged by MIML.

How we handle complaints

We are committed to providing our clients with premium products and services. If you're unhappy with our products or our service, we would like you to tell us about it and let us know how you think we can fix it.

If you have a complaint about the service provided to you, please contact:

- your nominated representative (for example, your adviser) or
- our Client Care team via our website
www.macquarie.com.au/feedback-and-complaints

Alternatively, if you prefer to submit a written complaint, please do so to:

The Complaints Officer
Macquarie Wrap
GPO Box 4045
Sydney NSW 2001

We will assess your complaint and advise you of the outcome, either by telephone or in writing.

On the occasion when our clients are not satisfied with our handling of a matter, they have the option to request their complaint to be reviewed free of charge by an external dispute resolution scheme.

MIML is a member of the Australian Financial Complaints Authority (AFCA). You may lodge a complaint with the AFCA if:

- your complaint relates to the Macquarie Wrap investment platform and you are not satisfied with our response after 30 days, or
- your complaint relates to a Macquarie superannuation product and you are not satisfied with our response after 45 days.

AFCA provides fair and independent financial services complaint resolution that is free to consumers.

You can contact AFCA via the following, quoting **membership number 10635**:

Australian Financial Complaints Authority
GPO Box 3, Melbourne VIC 3001

Telephone: 1800 931 678 (free call)
